

DARAMALAN COLLEGE Outback 2018

Hello! Daramalan is going to the Outback! This program is a rare opportunity to discover the REAL Outback Australia - a wild part of the country full of natural and cultural wonders. Led by Rustic's guides who have an intimate knowledge of the Top End, this challenging and exciting program engages Daramalan students with Indigenous Australians through a series of cross-cultural service activities. Along the way, the trip is full of everything that's great about Australia's outback – breathtaking gorges, millions of stars, tranquil waterholes, 4WD's on dusty roads, and classic outback characters.

If you are interested in this program, please contact Cheryl Hamill at cheryl.hamill@daramalan.act.edu.au
