Dear Parent/Guardian,

Thank you for your interest concerning your son/daughter's possible enrolment at Daramalan College in 2020.

The following pages will give you an outline of the information parents normally need concerning Daramalan College's education programs including fees, charges and activities available. Any further information you require may easily be obtained by contacting the Enrolments Registrar at the College.

If you decide to pursue an application for a place for your son/daughter, please complete the following Application for Enrolment and return it to the Registrar. This begins your application and at the same time supplies the information needed for school records should your application be successful. Please note, for Catholic applicants, the Enrolment Form is to be accompanied by a photocopy of your child's Sacramental Certificates. A fee of \$50.00 to cover administrative expenses is payable with your application and is non-refundable.

Before the Application for Enrolment Form is signed, the information contained in the following pages as well as the applicable pages on the Daramalan website should be read carefully, particularly with regard to the policies on:

- * co-curricular participation
- * student behaviour
- * uniform
- * fees
- * privacy of information

The return of the completed Application for Enrolment Form does not guarantee enrolment. As soon as practicable after the closing date (**Friday 24 May 2019**), Year 7 2020 enrolments will be considered and you will be informed of the outcome no later than **26 June 2019**. Year 8-10 2020 enrolments will be considered during the year as they are determined by the number of vacancies that arise during 2019.

Thank you for your enquiry.

Yours sincerely,

Rita Daniels Principal

Enrolment Agreement - Student and Parents

Parents/Guardians and students accepting these Conditions of Enrolment at Daramalan College are reminded that in doing so they are entering into a contractual agreement with the College and that the enrolment of the student named on the front page is subject at all times to this Enrolment Agreement.

Daramalan College is an independent Catholic co-educational school, founded by the Missionaries of the Sacred Heart (MSC). In the spirit of the Founder of the MSC, Fr Jules Chevalier, Daramalan College exists to proclaim and witness to the love of God. It aims to make the Gospel values real in the lives of young people, their families and staff. The College motto, "Fortes in Fide" translates to "Strong in Faith" and Daramalan strives to build a community of Faith. In the caring spirit of the MSC, we are committed to acknowledging the love of God for every individual. Students and staff are to be nurtured to realise their unique potential as joyful, intelligent, compassionate and socially aware individuals. We aim for excellence in Catholic education.

In the light of the above, I/we the undersigned, accept the following Terms of Enrolment:

- 1. Being part of the Daramalan College family implies specific relationships between students, staff and Parent/Guardians, that are founded on our core Gospel beliefs. Acceptance, respect and dignity must therefore be accorded to every member of the College community. Bullying, intimidation or threat to other persons, is counter to every value we hold dear and will not be tolerated. All issues related to discrimination, harassment, sexual harassment and bullying in any form, will be dealt with according to established College policies in a manner deemed suitable by the College.
- 2. Parents/Guardians and Daramalan College staff must work together if the best possible outcomes for the students are to be achieved. The importance of this partnership cannot be underestimated. Parents/Guardians are therefore encouraged to take an active part, where possible, in the activities of the College, for example, Parent Teacher meetings, The Parents & Friends Association and committees such as those which are responsible for the various sports offered by the school.
- 3. Students, with the support of Parents/Guardians are expected to maintain the ideals of the Christian person and to fully cooperate in all that promotes their complete education.
- 4. Students will participate in all Daramalan College special events. These events include liturgical events such as the Opening Mass, the Easter Liturgy, Sacred Heart Day, Chevalier Day and Christmas Masses; in Retreat and Camp programs; athletics and swimming carnivals as well as the Charity Walk.
- 5. Each student agrees to be involved in at least one co-curricular activity each year. These activities are integral to the life of Daramalan College and are important ways in which the gifts of every student can be nurtured and shared. There are many activities available for those not interested in sport.
- 6. It is a condition of enrolment that if a student plays a sport offered by Daramalan College then they play for the school team. Exemptions are granted under certain conditions, but an application is required prior to the start of each season for each sport. Being already enrolled or registered with another club is not sufficient grounds for exemption.
- Students are to wear the uniform of the College correctly so as to develop the pride in personal appearance as well as
 developing a sense of belonging and responsibility. Parents/Guardians will always be advised in writing if there is to be any
 change to the uniform code.
- 8. Students are to care for the buildings, furniture and equipment of Daramalan College and are financially responsible for damage caused through a wilful act, carelessness or neglect. The College will arrange repairs and Parents/Guardians will indemnify the College on a full indemnify basis for such damage and expense.
- 9. Students found in possession of illegal substances or who are implicated in dealing in illegal substances will be suspended pending an investigation. If the allegations are found to be correct, Daramalan College may take such action as it deems appropriate including, but not limited to, termination of enrolment.
- 10. When appropriate and necessary for the values of Daramalan College to be protected, and to ensure the physical and moral safety of all students, the College reserves the right to confiscate forbidden or dangerous property and to take whatever necessary action (such as directing searches of lockers, desks, bags, etc.) to deal with those suspected of threatening by commission or omission the good of the College community. Suspension and /or termination of enrolment from the College may be the consequence of behaviour, actions and attitudes which threaten:
 - the health, welfare and safety of other students or staff;
 - · the effective delivery of successful educational outcomes for other students; or
 - the fair and effective discipline and administration of the student body.
- 11. Daramalan College is not insured for students' items of personal property and accepts no responsibility for loss, damage or theft of such items. While not banned from the College, Daramalan recommends that mobile phones and other electronic equipment be left at home. The misuse of such electronic equipment in class will lead to the items being confiscated and deposited at the Front Office for later collection, usually by Parents/Guardians.
- 12. Daramalan College provides insurance cover for accidents suffered by students. Cover is provided by Catholic Church Insurances Ltd (CCI School care). Parents/Guardians are advised to ensure that the level of cover provided by this policy is sufficient for the needs of their family and the student. Details of the CCI policy are available on request.
- 13. In the event of injury/illness, the Principal or their delegate is empowered to take whatever action is considered necessary. Every effort will be made, however, to contact Parents/Guardians in advance. Costs incurred for medical treatment, including ambulance transport, are to be met by Parents/Guardians.

- 14. Parents/Guardians acknowledge they have read and will accept all the Daramalan College policies as presented on the Daramalan web site at www.daramalan.act.edu.au/board-policies/ and agree that they will be bound by the Terms of these policies and that the student will uphold these policies.
- 15. I/We acknowledge that the Student's enrolment will commence from the time Daramalan accepts the Student for enrolment and will terminate on the earlier of:
 - · Daramalan providing the Student, if eligible, with a graduation certificate at the end of Year 12;
 - the Student's enrolment being terminated in accordance with the provisions of this Enrolment Agreement, or;
 - at any time during the Student's enrolment, provided that I/we pay the balance of the school fees and provide the notice required, in accordance with this Enrolment Agreement.
- 16. I/We acknowledge that both persons who have legal responsibility for the Student must sign this Enrolment Agreement unless:
 - one of those persons can demonstrate in writing, to the satisfaction of Daramalan College, that he/she has sole legal
 responsibility for the education and enrolment of the Student and for payment of the tuition fees and charges levied by
 Daramalan. Daramalan College will be provided with any such court order or other relevant documentary evidence as
 acceptable to Daramalan; and
 - unless there is a court order or other relevant documentary evidence acceptable to Daramalan College stating
 otherwise, Daramalan may provide information relating to the Student's education and enrolment, for example, report
 cards and newsletters and information regarding Daramalan activities, to both persons who have legal parental
 responsibility for the Student, whether or not they have signed this Enrolment Agreement.
- 17. I/We acknowledge that My/Our obligations under this Enrolment Agreement will be joint and several and the compromise of any claim with, or the release of, any one of those individuals will not constitute a compromise with, or release of, the other individual. For the avoidance of doubt, this includes with respect to all school fees and charges for the Student which may be recovered from either or both Parent/Guardian.
- 18. I/We acknowledge that during the course of the Student's studies, the Student may create works in which intellectual property rights subsist. For example, copyright will subsist in the Student's original written work or art work. Daramalan College acknowledges that the Student owns those rights. I/We also authorise the College to use such works for current and future media activities to assist with the College's curriculum, and for the College's promotional and advertising purposes.
- 19. I/We, being the Parent/Guardian of the Student, acknowledge and accept that:
 - Daramalan College may, in its absolute discretion, determine when conduct of the Student warrants consequences and may apply such consequences as Daramalan considers appropriate in accordance with Daramalan's Policies and Procedures:
 - non-compliance with Daramalan College's policies and procedures by either the Student or Myself/Us may affect the Student's enrolment under this Enrolment Agreement; and
 - in the event disciplinary action is taken by Daramalan against the Student that involves the suspension or termination of the Student's enrolment, Daramalan College is entitled to charge or retain (as the case may be) the fees for the relevant Term.
- 20. I/We acknowledge receipt from Daramalan of the Daramalan College Information Collection Notice and the Fee Policy at the same time as receiving this Application and agree that I/we have read and understood the Information Collection Notice and Fee Policy prior to completing and returning this Application.
- 21. I/we understand and accept the conditions for enrolment as listed above.

INFORMATION COLLECTION NOTICE 2019

ABN 33 008 428 33

The *Privacy Act 1988*, as amended on 12 March 2014, regulates the way private sector organisations collect, use, store, secure and disclose personal information. The following *Information Collection Notice* covers the purposes for the collection of personal and sensitive information about students and parents/guardians and access to such information.

- 1. Daramalan College (**Daramalan**) collects personal information, including sensitive information, about students and parents or guardians, before and during the course of a student's enrolment at Daramalan. This may be in writing or in the course of conversations with a parent/guardian, a student or third parties, such as a student's current or former school. The primary purpose of collecting this information is to enable Daramalan to provide schooling to the student and to enable them to take part in all the activities of Daramalan.
- 2. Some of the information collected is to satisfy Daramalan's legal obligations, particularly to enable Daramalan to discharge its duty of care to all students and to enrol the student at Daramalan. Daramalan may not be able to accept or process a student's enrolment or ongoing enrolment if the personal information or sensitive information is not collected or made available.
- 3. Laws governing or relating to the operation of a school require certain information to be collected and disclosed. These include the *Education Act 2004* (ACT), *Public Health Act 1997* (ACT), the *Children and Young People Act 2008* (ACT) and relevant child protection legislation, as amended from time to time. Daramalan is also required to collect information for national reporting on student outcomes. Daramalan may collect or disclose information as required or authorised by Australian law.
- 4. Health information about students is sensitive information within the terms of the Australian Privacy Principles under the *Privacy Act*. Daramalan may ask parents/guardians to provide medical information about a student from time to time and this will be collected, used, stored and disclosed in accordance with Daramalan's Privacy Policy.
- 5. Only information that is required to carry out our functions will be collected and kept. Unsolicited information that is provided to Daramalan that is not necessary for carrying out educational functions and Daramalan's duty of care will be destroyed.
- 6. Personal information collected from students is regularly disclosed to their parents or guardians. Personal information and sensitive information may also be disclosed to Commonwealth or State Government authorities, third parties for administrative and educational purposes, including to facilitate the transfer of a student to another school, and to third parties who provide Daramalan or the students and their parents/guardians with services relevant or associated with the student's enrolment at Daramalan. Personal information and sensitive information may also be disclosed to third parties for administrative and educational purposes, including to other schools, government departments, the Catholic Education Office, education authorities, medical practitioners and any other person providing services to the school, for example visiting teachers, counsellors, coaches and volunteers.
- 7. Occasionally, information such as academic and sporting achievements, pupil activities and other news, or photographs of students either individually or in groups is published within or outside Daramalan including in publications or websites. If you do not wish photographs of or news about your student to be published you are requested to inform Daramalan of this, in writing, at enrolment or at any time during the student's enrolment.
- 8. As part of teachers seeking to reflect on their teaching practice, occasionally Video cameras are used for the purpose of evaluation, reflection and growth in a professional capacity. In these instances, the footage will be located in a secure cloud and only shared with Daramalan College staff, for said purpose. If you do not wish for your child to be in a classroom which is being filmed, you are requested to inform the Assistant Principal Teaching and Learning, in writing, at the time of enrolment.

- 9. Parents may seek access to personal information collected about them and their student by contacting the Principal of Daramalan. Students may also seek access to personal information about them. However, there will be occasions when access is denied. Such occasions would include situations in which access would have an unreasonable impact on the privacy of others, where access may result in a breach of Daramalan's duty of care to the student, or where students have provided information in confidence.
- 10. From time to time Daramalan engages in fundraising activities. Information received from you may be used to make an appeal to you. It may also be disclosed to organisations that assist in Daramalan's fundraising activities solely for that purpose. Daramalan will not disclose your personal information to third parties for their own marketing purposes without your consent.
- 11. Daramalan may include your contact details in a class list for use by staff of Daramalan. If you do not agree to this, you must advise us in a timely manner.
- 12. If you provide Daramalan with the personal information of others, such as doctors or emergency contacts, we encourage you to inform them that you are disclosing the information to Daramalan and why, so that they can access this information if they wish. Daramalan would not usually disclose such information to third parties.
- 13. Daramalan may utilise service providers to provide certain services including data storage. Daramalan may provide personal information and sensitive information to such service providers in connection with the provision of these services.
- 14. FEES POLICY 2019

ABN 33 008 428 33

Daramalan College school fees and levies are set by the Daramalan College Board. They are an annual charge divided for convenience into four school term payments. Annual fee increases can be expected and usually apply from Term 1.

Payment of Fees

Fees and levies are payable termly in advance or by instalment during each school term. Fess may be paid by direct debit each week, fortnight or month. If any family would prefer to pay by other means, authority in writing must be sought from the Daramalan Business Manager and, if authority is granted, the Business Manager will confirm the agreement in writing. For the avoidance of doubt, fees and levies become payable 14 days from the beginning of each school term or as otherwise determined by Daramalan from time to time (the Due Date) as indicated on the invoice.

Once a direct debit is setup, payments will continue until the fees and levies have been paid or until Daramalan is requested by the Parent/Guardian to stop the deduction by providing at least three business days' prior written notice. Families in the past have appreciated this for budgeting purposes. Attached to this policy is information indicating how much the Parent/Guardian will be required to pay each fortnight beginning Friday 8 February 2019 for each student. Payment of this amount will achieve the Parent/Guardian's full year's payment by Friday 13 December 2019.

If a payment is not approved by the Parent/Guardian's bank and is, therefore, not received by Daramalan, payment by another means MUST be made or Daramalan will continue attempts to debit the Parent/Guardian's account until the payment is approved. This may result in the Parent/Guardian incurring bank fees or charges. If a Parent/Guardian applies to pay fees by another method and fails to keep their payment as agreed, the Parent/Guardian will be required to change their method of payment to a direct debit so that fees are kept up to date, and do not accumulate.

Default and Consequences of Default

Fees and levies unpaid as at the Due Date are subject to an administration fee of \$15 (including GST). This fee will be debited to all family accounts outstanding from the Due Date. A further administrative fee of \$15 will be made each fortnight from the Due Date until the account is paid in full. Parents/Guardians will be required to indemnify Daramalan from and against all of Daramalan's costs and disbursements, including without limitation legal fees (on a solicitor-client or indemnity basis whichever is the higher), and in addition all of Daramalan's own nominee's costs of collecting any outstanding fees and levies in accordance with the Enrolment Agreement.

Privacy Act 1988

The Parent/Guardian agrees for Daramalan to obtain from a credit-reporting agency a credit report containing personal credit information about the Parent/Guardian in relation to credit provided by Daramalan (Consumer Credit Report). The Parent/Guardian agrees that Daramalan may exchange information about the Parent/Guardian with those credit providers named in the Application for Credit account or named in a Consumer Credit Report issued by a reporting agency for the following purposes:

- To assess an application by the Parent/Guardian
- To notify other credit providers of a default by the Parent/Guardian;
- To exchange information with other credit providers as to the status of this credit account, where the Parent/Guardian is in default with other credit providers;
- To assess the credit worthiness of the Parent/Guardian.
- The Parent/Guardian consents to Daramalan being able to give a Consumer Credit Report to collect overdue payment on commercial credit (Section 20F Privacy Act 1988).
- The Parent/Guardian agrees that information about the Parent/Guardian or Student provided to Daramalan (the Personal Information) may be used and retained by Daramalan for the following purposes:

- Provision of goods and/or services;
- Marketing of goods and/or services by Daramalan, its agents or distributors in relation to the goods and/or services;
- Analyzing, verifying and/or checking the Parent/Guardian's credit, payment and/or status in relation to the provision of goods and/or services;
- Processing of any payment instructions, direct debit facilities and/or the collection of amounts outstanding in the Parent/Guardian's account in relation to the goods and/or services.
- The Parent/Guardian further agrees that the Personal Information may be used and retained by Daramalan for any other purpose as agreed between the Parent/Guardian and Daramalan, or as required by law from time to time

Daramalan may give the Personal Information about the Parent/Guardian to a credit report agency for the following purposes:

- To obtain a Consumer Credit Report about the Parent/Guardian; and/or;
- To allow the credit reporting agency to create or maintain a credit information file containing information about the Parent/Guardian.

In addition to the requirements pertaining to students in Years 10 and 12, Parents/Guardians of students who leave are required to give one month's prior notice *in writing addressed to the Principal* if they are intending to withdraw their students from the school. Daramalan is entitled to charge a full school term's fees and levies if the requisite notice is not provided or if notice is provided more than one month in to that school term. Daramalan may, in its absolute discretion, consent to charging fees pro-rata for the school term, but is under no obligation to do so.

All such payments will be collected separately and paid directly to the Daramalan Reception.

Parents and Friends

A \$25 Parents and Friends (P&F) levy is charged per family per term. No other fundraising activities to support the College are conducted by the P&F.

Charity Walk

Each year Daramalan holds a Charity Walk to raise money for Caritas Australia and St Vincent de Paul. Families are required to contribute \$20 per student to this fundraising activity.

Building Fund

An optional tax deductible donation to the Building Fund appears on the fee invoice. This is a necessary part of the overall revenue required for the development of Daramalan. The Building Fund donation is \$190 per family per term.

NATIONAL REPORTING ON STUDENT OUTCOMES

The purpose of this information sheet is to advise parents (or caregivers) of data collection requirements arising from the decisions of State, Territory and Australian Government Education Ministers to improve the quality and national consistency of public reporting on student achievement. Ministers expect all government and non-government school systems and schools to comply with the new data collection and reporting arrangements.

What is the purpose of national reporting?

- The primary purpose of national reporting is to improve the educational outcomes of our young people by informing the Australian public, and especially the education community and parents, about progress towards achieving the *National Goals for Schooling in the Twenty-First Century*.
- For more information on the National Goals, go to http://www.scseec.edu.au

What is the situation now with the collection and reporting of information on students' performance?

 All school authorities must collect certain information from parents and/or students to fulfil their functions and obligations under State, Territory and Australian Government legislation, including accountability for spending public money.

- Governments must provide the community with information about school performance and the steps they are taking to improve student outcomes.
- Information on students' performance is reported in the annual *National Report on Schooling in Australia*, and on the *MySchool* website published by the Australian Curriculum, Assessment and Reporting Authority (ACARA).

What are the requirements for the collection of information on student background characteristics?

 State, Territory and Australian Government Education Ministers have agreed to common approaches across all States and Territories, in both government and non-government schools, to the collection and reporting of information on the sex, Indigenous status, geographic location, socioeconomic background and language background of school students.

What are the benefits for schools and students?

- Linking student background characteristics with students' results in national assessments in priority areas of
 schooling will allow schools to identify individual students' strengths and weaknesses; evaluate the influence of
 particular factors on student performance; judge the effectiveness of policies aimed at reducing the impact of
 such factors, and, as necessary, take appropriate steps to improve students' performance.
- The new arrangements will also provide parents with accurate and timely information on their child's progress compared with other Australian students of the same age and a measure of the child's achievement against national benchmarks or standards.

What information is required from parents?

- Parents will be asked for information on the following:
 - o the sex of the student
 - the Indigenous status of the student
 - o the parents' occupations (in very broad terms)
 - o the parents' educational qualifications (also in very broad terms)
 - o the student's country of birth, and
 - o the main language spoken at home by the student and each of the student's parents or guardians.
- Most of this information is already collected by schools but it will now be collected in a uniform way across the country.

Why are schools required to collect information on the educational and occupational background of parents?

- Information is being collected on the educational and occupational background of parents so that school education authorities can evaluate the influence of socioeconomic background on students' educational outcomes across and within jurisdictions, and over time.
- This will allow critical evaluation of the effectiveness of policies aimed at reducing the impact of social or economic disadvantage on student performance, and assist school systems and schools in taking steps aimed at promoting an education system which is fair for all Australian students.
- Ministers have been concerned to ensure that the questions asked of parents are not overly intrusive. Parents will therefore not be asked to provide specific details of their education or income but, rather, will be asked to select an appropriate response from a limited number of broad educational categories.
