

DARAMALAN COLLEGE

ALUMNI NEWSLETTER - FEBRUARY 2020

Welcome to the first newsletter for 2020, and the start of another school year.

(Which means another year since you left Dara.)

In this edition we have all the "Dara News", "Who's been doing what"; "Sporting News" and more. So, let's start with what's been happening around the College.

DARAMALAN COLLEGE NEWS

FAREWELL TO THE MSC

Sadly, last December saw the end of the MSC Community at Daramalan. After 57 years the our MSC numbers had dwindled to just two Priests and one Brother living at the Residence. **Fr Harold Baker**, who is 96 and **Fr Jim Littleton** (90) were just too old to be looking after themselves so the most sensible solution was for them to move to the MSC home at Kensington in Sydney. **Br John Walker** moved at the same time. The Residence is now closed.

To say farewell, on the second Sunday in December many ex-students, teachers and friends came back to Dara where we said goodbye the Community, with **Br Barry Smith** and **Fr Michael Fallon**, who both reside at Douglas Park in the Southern Highlands, coming down for this very significant event.

As yet there are no decisions as to what will happen to the building and the land it is on, with several

Fr Jim Littleton MSC, Fr Michael Fallon MSC and Fr Harold Baker MSC

proposals before the Board. As soon as an outcome is decided upon I will let you know.

NEW QUAD.

The original central Quad was upgraded over the Christmas break this year. Called the McMahon Quad (or Year 10 Quad) it hasn't really changed since 1962. Consequently, it has been looking fairly dilapidated and unloved with broken uneven surfaces, ineffective sun protection and

minimal seating. Well, all that changed mid-February.

It now features covered areas, trees, modern paving and low walls for space separation and plenty of sheltered chairs and benches giving the students plenty of relaxing choices. A most attractive space and a credit to the designers and landscapers.

ALL THE DARAMALAN YEARBOOKS ARE NOW ON-LINE

We have now finished digitising all the Daramalan Yearbooks dating back to year one 1962. The books can be found in two places; on the National Library's "Trove" website here <<http://nla.gov.au/nla.obj-773155481>> and are also available for viewing and download on our Alumni website.

Enjoy the browsing!

DARAMALAN'S 60TH ANNIVERSARY

2022 will be the 60th anniversary of our school and soon we will start planning to commemorate this significant event. We are still in the preliminary stages but if you have any ideas you would like to see become part of our diamond jubilee year, then we'd love to hear from you.

We are also looking for any energetic volunteers to join our Planning Committee. If you'd be interested in helping out – at any level – please drop me a line at bernard.kane@daramalan.act.edu.au and I'll add you to our list. Things will start rolling later this year so now's the time to come on board. Any assistance will be most appreciated.

JOE GUNNING'S LAD

The Australian Olympic boss Matt Carroll was in Canberra last December attending a national summit to acknowledge how future generations will spark change and to help them become Olympic leaders in their own right.

He sought advice and suggestions from twenty-six students across Australia, all of whom have been recognised as Olympic change makers.

The list included three Canberra recipients with 1978 alumnus **Joe Gunning's** boy **Aidan** (Year 12 2019) being picked from over 1000 nominations. Aidan went and presented the committee with recommendations on how the Olympic movement can affect change in equality, sustainability, engagement and empowering young people. Very well-deserved recognition.

(Top) Aidan Gunning at the Olympic Summit last December and above, Aidan at the College's 2019 Award Day with mum and dad.

THE 2019 SCHOLARSHIP FUND-RAISER

October last year saw our annual Beer & Cider Tasting & Trivia Fundraiser in McCowage Hall at the College. We had the pleasure of Laurence Kain from Capital Brewing present some of his finest brews along with 3 Sons Cider. Laurence is the son of ex-Dara boy **Tim Kain** (1968) who is now a national guitar virtuoso.

The night raised over \$7000 for the Daramalan

The winning table featuring Bernie, Trish, Catherine and Emily Carnevale

scholarship program. There were plenty of ex-students enjoying themselves on the night with the **Carnevale** table (**Bernie** (1972), **Trish** (1978), **Catherine** (2009) and **Emily** (2011) winning the night.

Hosted by **Corey Goodberg** (2018) with able assistance from **George Southwell** (2013) and **Jo McGrath Weber** (2017) handling the prizes. Thank you to everyone who came along and we will be releasing details of this year's Big Event in April. Stay tuned!

2019 YEAR 10 SOCIAL VISITORS

The 2019 Daramalan Year 10 event was held at Nicholls in December 2019. Ex-student **Nick Kyrgios** (2012) popped along to support his old school, along with **George Southwell** (2013) who was there in support of his younger brother **Jeremy** (Year 11 2020). Naturally this called for a great photo opportunity!

Nick Kyrgios and George Southwell

2019 REUNIONS

Thank you to everyone who came along to the Class of "Nines" Reunions last year. All the photos can be seen on the Photoboard on the Alumni website.

Here is a selection of images from the various events held during the year.

2020 REUNIONS.

Plans are now underway for Reunions for the Six Form Class of 1970, and graduating years from 1980, 1990, 2000 and 2010. As soon as details are finalised I will send you the information via the Alumni website, the Daramalan Alumni Facebook page as well as the details being on the Daramalan website.

2009

SO, WHAT'S OUR ALUMNI BEEN UP TO?

JACK MCGRATH (1971)

If you want an 80s blast from the past then look no further than this Facebook page featuring one of Canberra's first pizza TV ads. <https://www.facebook.com/thecanberrapage/videos/398152590822625/>

This classic Jacko's "Dial a Pizza" production was created by our own **Jack McGrath** who still owns and operates his pizza business. His son Trevor (1993)

must also have wood-fired flavour in his veins as he pumps out his own tomato and mozzarella creations at "Trevs" in Dickson. The family dynasty continues.

GREG BAYLISS (1974)

The revolving door at ABC Radio Canberra was spinning again at the end of last year with ex-Dara boy **Greg Bayliss** leaving after 10 years and another Daramalan protégée **Dr Kim Huynh** (1995) coming in to present the 2020 Sunday brunch.

FRANK BRENNAN (1975)

Ex-Daramalan student **Frank Brennan** (1975) was awarded a Member of the Order of Australia (AM) for his significant service to palliative medicine in the 2020 Australia Day Awards.

In 1971, his 11-year-old brother **Tom** - also a Daramalan student - died of cancer and it was only then that Frank realised doctors did not always make someone better and with this understanding, coupled with witnessing Tom's suffering, lead Frank to pursue a career in palliative care medicine. Frank began his career in medicine, working in both Sydney and South Africa, before he decided to study law, while continuing to practice medicine.

He embarked on a brief legal career before returning to medicine as a GP at the Aboriginal Medical Service in Redfern.

Currently Frank divides his time between Sydney and Canberra, as a medical officer at Calvary Hospital, where he treats mainly Motor Neurone Disease and cancer patients

Huge congratulations Dr Frank and we are all very proud of the work you are doing and your well-deserved Award.

JEREMY KIRK (1987)

If you are owned a diesel Volkswagen in September 2015 then you're likely in line to receive approx. \$1400 as settlement in the VW "dieselgate" scandal. Barrister **Jeremy Kirk SC**, who was acting for the ACCC, brokered the settlement outcome with Volkswagen and if you think you are an "interested party" then you have until 10 March this year to lodge a claim.

ANTHONY GOODWIN (1988)

At the AHA Hospitality & Tourism Awards held late last year, "1882 Bar & Grill" won the "Best Pub Eatery" gong. This great little oasis in Hall is jointly owned by **Anthony Goodwin's** wife Cindy-Lee along with her sister Nikki. Congratulations to everyone involved.

KELLIE STEPHENSON (1992)

Ex Dara girl **Kellie Stephenson (Toohey)** is now Doctor Kellie Stephenson and one of her key passions is researching and improving the lives of those diagnosed with cancer. Late November she was the guest of honour at a Women's Breakfast at the National Portrait Gallery and spoke about changing the world one step at a time. All power to you Dr Kellie.

DAVID BURBIDGE (1992)

The 'Shaky Isles' are in good hands these days with **David Burbidge** now heading up the Tectonophysics Department of GNS Science in Lower Hutt New Zealand. David is a geophysicist specialising in earthquake and tsunami hazard assessment.

SIMON YANNOPOULOS (1993)

For the last 20 years, a bunch of VERY fit people have been travelling to the Canadian Rocky Mountains to cheat death in the world's toughest ultra-marathon, the "Canadian Death Race". (The name pretty much says it all).

This 125km course begins and ends on a 1300m plateau, passes over three mountain summits with over 1600 metres of elevation change including a canyon

and two major rivers. (Incidentally entry conditions also stipulate competitors carry Bear Spray as there are

"definitely bears and cougars in the area".) So far so good then.

In the 2019 Event **Simon Yannopoulos** - who now lives in British Columbia - came 173rd out of 435 in a time of just under 23 hours. (No mention if that bear-wrestling slowed him down.)

Simon, who is now almost 45, coming 48th out of 109 in this age category, is a fantastic effort.

MARGARET O'BRIEN (1995)

Margaret O'Brien is running a social enterprise called Young Change Agents which operates across Australia teaching social entrepreneurship to students whilst building the capacity of teachers in this area. She is a partner of the Federal Government's new initiative, "The Academy of Enterprising Girls" - a \$3.7M initiative which launched at Parliament House December last year.

KIM HUYNH (1995)

It's not often you see positive stories about our **Nick Kyrgios** (2012) but another ex-Dara boy has managed to nail it. Writing in support of Nick's behaviour in 2018 and 2019, Kim Huynh, school captain from 1995, had this to say about Nick in the Canberra Times; <https://bit.ly/324v4DB>

JASON (1997) AND JON (2000) TANCHEVSKI

Classic Constructions co-owners **Jason and Jon Tanchevski** won the 2019 Master Builders Association "House of the Year Award" with their ultra-luxurious 1200sq metre creation on Drake Brockman Drive in Holt.

Jason and Jon, along with architect Tony Trobe, designed and built the 6-bedroom, 6-bathroom winning mansion, which also incorporated a

25-metre pool, two saunas, a gym, tennis court and home theatre. And who was the 'sparky' on the job? Another Dara boy of course, **Dean "Deano" Coyle** from 2006.

The boys then went on to take out the top "Display Home - \$500,000 to \$1.5M" gong at the National Awards held at Uluru in November last year. Great achievement guys!

DEAN

HEIDI YATES (1998)

Lovely story in the Canberra Times last July featuring Dara girl **Heidi Yates** who is the ACT's Victims of Crime Commissioner, a role she defines as "promoting and protecting the rights of people who experience crime".

In the story she explained how she deals with the stresses and the enormity of the task of dealing with 2,000 victims of crime in Canberra every year. So, how does she "switch off"? According to Heidi, anything from roller hockey to baking sour dough at the Tin Shed Bread Bakery. (Shameless plug for a great bakery - Cork St Gundaroo!)

She went on to explain what shaped her career including an incident at school (surely not Daramalan?) where she was chastised for being "too clever" in a Maths class. It was at this point she realised she "was only one of an infinite number of girls and young women who were being 'put in their place'". That defining moment was the beginning of her aspirations to level the playing field for those who may otherwise go unheard." She subsequently became a lawyer, helping victims of family violence as well as becoming an advocate for gay rights.

Keep up your great work Heidi.

ZACH ELLIOTT (2006)

[Warning: this story contains bad food puns]. Dara lad and Michelin-starred chef **Zach Elliott** (now Elliott-Crenn) was creaming it in London until September when he and his French wife Chloe decided to uproot to Maggie Joan's restaurant at "The Peak" in Singapore.

Zach's career started at the Hyatt in Canberra, where he won Apprentice of the Year in 2007. He later moved to Courgette where he was awarded a Chef's Hat.

This was followed by New York and France eventually being invited back to Australia by Shannon Bennett to work at arguably Australia's best Restaurant, Vue de Monde in Melbourne. He returned to London in 2015 to work at the Berkeley Hotel in Knightsbridge another Michelin starred establishment. His thymely move to Singapore was to be closer to home and his parents, who own and run the famous Spence Bakery. He certainly has his cake and eating it too.

ADAM HYDE (2008)

Most recently **Adam Hyde** one half of the musical outfit "Peking Duk" performed at the fund-raising Fire Fight Concert held in Sydney on Sunday 16 February.

JASON

JON

ELISSA BRUNATO (2008)

After completing a Fashion Degree in Canberra in 2009, **Elissa Brunato** moved to London to follow her dream of working with some of the world's top fashion designers. Over the last ten years she has worked with Peter Pilotto, Erdem and Ralph &

Russo, who she is still freelancing with today.

In 2017 she commenced a Masters in Material Futures at Central St Martins London, a renown Arts University and last year graduated with a Distinction with her project, 'Bio-iridescent Sequins' a sequin made from all-natural wood fibre with no added chemicals, which won her several prestigious International Awards for Innovation.

MELANIE RYAN (2010)

Melanie Ryan was recently selected as ambassador for the national women's gym brand, Fernwood Fitness. Great effort Mel.

NICK GRIFFIN (2010)

The stage production of "Kinky Boots" came to Queanbeyan in July last year and running the bells and whistles side of things was Dara boy **Nick Griffin** as Musical Director. Also, on drums in the band

was another Dara lad **Charlie Kurthi** (2015). It was a fabulous production!

BEN RUSSELL (2011)

Ben Russell hit the dance floor for a fund-raising marathon at East's Leagues Club in Sydney in October last year to raise money for cancer. Ben is a graduate of the Western Australian Academy of Performing Arts in acting, not dance. However, saying that, he has performed in variety of stage shows and musicals since leaving Dara.

Sadly, in May 2019 Ben's godson passed away from spinal cancer aged just seven weeks, so Ben's efforts were to support the fight against this insidious scourge.

ANTHONY LUCHETTI (2013)

Anthony Luchetti is the chief representative for all ANU Cricket Club players in the 2020 cricket season and after taking his 2nd Grade team to six consecutive Grand Finals since 2014, this is a well-deserved appointment.

GEORGE SOUTHWELL (2013)

At the 2019 national Ray White Real Estate Rural Awards Dara boy **George Southwell** was named top Auction Agent of the Year, as well as taking out fourth best sales performer in Australia. And if that wasn't enough he won the Social Media Recognition Award. Congratulations George.

KASSIDY YOUNG (2015)

Dara girl **Kassidy Young** is now a photographic and catwalk model based in Sydney. Her "crowning" achievement so far was winning "Miss Fashion Week International 2018" a gala event held during Miss Fashion Week across Miami and Dallas Texas.

This annual award was created to empower women of all ages focus to increasing self-esteem, not only for themselves, but for all women in society. Kassidy has certainly nailed it!

OLIVER DURBIDGE (2017)

2017 School Captain **Oliver Durbidge** who is now a Climb Leader on the Sydney Harbour Bridge experience, as well as graduating from the National Institute of Dramatic Art (NIDA) last May. Harbour bridge and acting? Our next Paul Hogan.

DARA STUDENTS IN SPORTS NEWS

JOHN ROGERS (2004)

The premier cricket competition in the ACT, the Gallop Cup, was won by Weston Creek Molonglo last December. Captained by our own **John Rogers** gives him a hat trick of Gallop Cups so a big congratulations John, who also

the ACT Comets captain.

HANNAH DUNN (2009)

Even though Dara doesn't offer AFL as a school sport, it's always great to see our ex-students excel in another football code. Even more impressive is when that student is female and are breaking ground at an elite level into a (relatively) new sporting series. I

speak of **Hannah Dunn** who was picked up for the Gold Coast Suns for this 2020 AFLW season. And from what I've seen on TV so far, this is going to be a huge year for Hannah. Congratulations!

TOM ROGERS (2011)

Tom Rodgers was sending down the fast balls over this Big Bash Cricket season with the Hobart Hurricanes, who ended up coming fourth on the 2020 ladder.

JAMES DAY (2012)

Congratulations to **James Day** for making the Australian Men's Hockey Development team in January 2020.

NICK KYRGIOS (2012)

You didn't think we'd have a Daramalan Sporting News section without a mention of **Nick** did you? Impossible!

Well, this year it's the New Nick I am reporting on. His game at the 2020 Australian Open was exemplary and he was unfortunately outplayed against Nadal in the final round of 16. He

was a pleasure to watch and congratulations Nick on this new professional direction.

IVAN SOLDO (2013)

Dara boy **Ivan Soldo** played an essential role in Richmond's AFL Grand Final win last year. He has re-signed with the team and with a bit of luck there will be a back-to-back win on that last Saturday in September 2020.

PATRYK DUDEK-BYLINSKI (2016)

In a fantastic weightlifting achievement, Dara boy **Patryk Dudek-Bylinski** took out First Place in the Junior under 77kg class while representing Australia in Hong Kong at the Asia Pacific Powerlifting Championships. Then, to top this off, he was voted the 2019 Championship's "Best Junior Male Powerlifter". Huge effort Patryk and very well deserved.

TOM ROSS (2016)

After a frustrating 2019 debut year for the Brumbies due to several niggling injuries, **Tom Ross** is now fit and ready and looking forward to this rugby season. Playing as a Prop, Tom is joined in the team this year by fellow classmate **Mack Hansen** (2016) at Fullback with a third Dara boy **Laurie Fisher** (1975) rounding out the MSC trio. It is sure to be an exciting season.

BROOKE GILROY (2019)

While we are on the Brumbies, over on the women's side, **Brooke Gilroy** is playing Fullback in the 2020 Brumbies Women Competition after truly establishing herself during the 2019 season.

AIDEN DOOLEY (2019)

Aiden Dooley who finished at Dara last year has just been selected in the U/18 Australian Men's indoor Hockey team.

CURRENT AND EX-TEACHERS

EX-TEACHER - MRS JEAN REID

I'm sure most of you would know by now that ex-teacher and Daramalan icon **Mrs Reid** lost her home in Rosedale as a result of the South Coast New Year bushfires.

Being 104-years-old and homeless is not something you recover from easily so a GoFundMe account was

started to help her with the recovery. The Fundraiser resulted in a total of \$5,648.82 purely through the huge generosity of her ex-students, workmates and friends. She was presented with the proceeds by friend and ex-Principal **David Garratt** at her temporary 'home', a rental property in Moruya. She was very touched and really overwhelmed that so many ex-students still remember her. She wanted to thank everyone and sent this message:

"My years at Daramalan were amongst the best years of my life, and it meant such a lot to me to be remembered so kindly, and so generously by so many people. Thank you. We have just bought a new home at Moruya and the money which you have sent will shortly be used to help

Mrs. J. J. Reid

Miss M. Donnelly

furnish my new home. Those new possessions, whatever they be, will be a constant reminder as I go around my new home of my wonderful time at Daramalan, and your thoughtfulness and generosity. Thank you again. Jean Reid"

It was the least we could do Jean. I will keep our Alumni informed with her progress.

EX-TEACHER - MRS MARY BARTON (MISS DONNELLY)

When you consider that Daramalan opened over fifty-seven years ago, it's quite remarkable that our first two female teachers are still with us and active in the community.

As previously mentioned, **Mrs Jean Reid** turned 104 in November (then suffered the loss of her home four weeks later) and also in November, **Mary Barton** - who was **Miss Donnelly** back in Feb '62 - was inducted into the South Australian Women's Honour Roll at Government House for her volunteer work with Adelaide and Broken Hill Legacy. A great honour for Mary many congratulations Miss Donnelly.

CURRENT TEACHER - MR THOM MUTTON

Long-time Dara maths teacher **Mr Thom Mutton** was one of eleven maths teachers across Australia who was awarded the equivalent of a maths "Oscar" by the Australian Mathematical Sciences Institute in a glittering ceremony in Melbourne late last year. Judged by a panel of maths education experts, the awards acknowledged educators who show leadership, creativity and innovation, while mentoring colleagues and students to strengthen outcomes in mathematics. Mr Mutton has been (and still is) a much-loved teacher here for over 30 years and this is well-deserved recognition.

CURRENT TEACHER - MRS ANNE SUTHERLAND

Many of our recent Alumni would remember **Mrs Anne Sutherland**, both through her work in the Daramalan Hospitality Department, but more importantly, through the last 15 years she spent volunteering with various Daramalan sports teams every week, summer and winter.

In January this year Anne's cricket volunteering work was recognised by the ICC Women's World Cup where she was thanked and presented with a replica World Cup by James Allsopp the CEO of Cricket ACT. The cup is a one-off creation hand-made by Canberra Glassworks.

Well-deserved Miss Sutherland! See the video here: <https://www.facebook.com/T20WorldCup/videos/2616436165254562/>

WE SAID FAREWELL TO...

STEVE LEAHY (1972)

We were just three weeks into 2020 and we lost another Dara student from our early years. **Steve Leahy** died from long-term health issues just after New Year on January 3.

The Leahy family lived in Elliot St Campbell and there were five boys in the family, **Terry, Barry, Chris, Stephen** and **Phillip**, all of whom went to Dara. He also had two sisters. Steve is now the third of the Leahy sons to die with the passing of Barry in 2013 and Phil

who died many years ago.

Steve worked at AIATSIS for over 12 years but in the later stages his health problems increased resulting in his untimely passing.

Vale Stephen.

JACQUELINE CLOUT (1986)

Jacquie Clout died suddenly from a brain aneurysm on 6 June 2019 in the loving arms of her husband. Our thoughts and prayers go out to her family. Vale Jacquie.

ANGELA WORTHINGTON (1992)

It is with huge sadness that we lost **Angela Worthington** from the Class of 1992. Angela passed away on Tuesday 11 February, after contracting Motor Neurone Disease six months ago

Angela excelled both academically and in the

sporting field - namely basketball - while at Dara and was the 1992 winner of Daramalan's prestigious Marie Therese Dempsey medal.

Angela was a highly skilled and loved cardiologist working in Newcastle. She wrote to me about 10 years ago to explain why she decided to become a doctor saying, *"My Year 12 Careers Advisor suggested that it might suit my particular talents. He was right, and I thoroughly endorse his prescient analysis". She went on to say "I would like to say thank you to him, because although studying and being a doctor has not been the easiest task in the world, it certainly is a very rewarding one, and I honestly don't think I could do any other job with as much personal, spiritual and professional satisfaction."*

She leaves behind her husband Rodney Smith and two adult teenage children.

Vale Angela.

FRANKIE PRINEAS (2010)

In a terrible turn of events 27-year-old **Frankie Prineas** died in early January after being fatally stabbed at a friend's home in Charnwood.

Frankie was a member of the family who owned and operated the Central Café in Queanbeyan and then the Gungahlin shops. The family is now involved with the catering contract at the Queanbeyan Golf Club.

Our deepest sympathies go out to all of the Prineas family and friends.

Vale Frankie.
