Enrolment Agreement - Student and Parents

Parents/Guardians and students accepting these Conditions of Enrolment at Daramalan College are reminded that in doing so they are entering into a contractual agreement with the College and that the enrolment of the student named on the front page is subject at all times to this Enrolment Agreement.

Daramalan College is an independent Catholic co-educational school, founded by the Missionaries of the Sacred Heart (MSC). In the spirit of the Founder of the MSC, Fr Jules Chevalier, Daramalan College exists to proclaim and witness to the love of God. It aims to make the Gospel values real in the lives of young people, their families and staff. The College motto, "Fortes in Fide" translates to "Strong in Faith" and Daramalan strives to build a community of Faith. In the caring spirit of the MSC, we are committed to acknowledging the love of God for every individual. Students and staff are to be nurtured to realise their unique potential as joyful, intelligent, compassionate and socially aware individuals. We aim for excellence in Catholic education.

In the light of the above, I/we the undersigned, accept the following Terms of Enrolment:

1. Being part of the Daramalan College family implies specific relationships between students, staff and Parent/Guardians, that are founded on our core Gospel beliefs. Acceptance, respect and dignity must therefore be accorded to every member of the College community. Bullying, intimidation or threat to other persons, is counter to every value we hold dear and will not be tolerated. All issues related to discrimination, harassment, sexual harassment and bullying in any form, will be dealt with according to established College policies in a manner deemed suitable by the College.
2. Parents/Guardians and Daramalan College staff must work together if the best possible outcomes for the students are to be achieved. The importance of this partnership cannot be underestimated. Parents/Guardians are therefore encouraged to take an active part, where possible, in the activities of the College, for example, Parent Teacher meetings, The Parents & Friends Association and committees such as those which are responsible for the various sports offered by the school.
3. Students, with the support of Parents/Guardians are expected to maintain the ideals of the Christian person and to fully cooperate in all that promotes their complete education.
4. Students will participate in all Daramalan College special events. These events include liturgical events such as the Opening Mass, the Easter Liturgy, Sacred Heart Day, Chevalier Day and Christmas Masses; in Retreat and Camp programs; athletics and swimming carnivals as well as the Charity Walk.
5. Each student agrees to be involved in at least one co-curricular activity each year. These activities are integral to the life of Daramalan College and are important ways in which the gifts of every student can be nurtured and shared. There are many activities available for those not interested in sport.
6. It is a condition of enrolment that if a student plays a sport offered by Daramalan College then they play for the school team. Exemptions are granted under certain conditions, but an application is required prior to the start of each season for each sport. Being already enrolled or registered with another club is not sufficient grounds for exemption.
7. Students are to wear the uniform of the College correctly so as to develop the pride in personal appearance as well as developing a sense of belonging and responsibility. Parents/Guardians will always be advised in writing if there is to be any change to the uniform code.
8. Students are to care for the buildings, furniture and equipment of Daramalan College and are financially responsible for damage caused through a wilful act, carelessness or neglect. The College will arrange repairs and Parents/Guardians will indemnify the College on a full indemnity basis for such damage and expense.
9. Students found in possession of illegal substances or who are implicated in dealing in illegal substances will be suspended pending an investigation. If the allegations are found to be correct, Daramalan College may take such action as it deems appropriate including, but not limited to, termination of enrolment.
10. When appropriate and necessary for the values of Daramalan College to be protected, and to ensure the physical and moral safety of all students, the College reserves the right to confiscate forbidden or dangerous property and to take whatever necessary action (such as directing searches of lockers, desks, bags, etc.) to deal with those suspected of threatening – by commission or omission – the good of the College community. Suspension and /or termination of enrolment from the College may be the consequence of behaviour, actions and attitudes which threaten:
 - the health, welfare and safety of other students or staff;
 - the effective delivery of successful educational outcomes for other students; or
 - the fair and effective discipline and administration of the student body.
11. Daramalan College is not insured for students' items of personal property and accepts no responsibility for loss, damage or theft of such items. While not banned from the College, Daramalan recommends that mobile phones and other electronic equipment be left at home. The misuse of such electronic equipment in class will lead to the items being confiscated and deposited at the Front Office for later collection, usually by Parents/Guardians.
12. Daramalan College provides insurance cover for accidents suffered by students. Cover is provided by Catholic Church Insurances Ltd (CCI School care). Parents/Guardians are advised to ensure that the level of cover provided by this policy is sufficient for the needs of their family and the student. Details of the CCI policy are available on request.
13. In the event of injury/illness, the Principal or their delegate is empowered to take whatever action is considered necessary. Every effort will be made, however, to contact Parents/Guardians in advance. Costs incurred for medical treatment, including ambulance transport, are to be met by Parents/Guardians.

14. Parents/Guardians acknowledge they have read and will accept all the Daramalan College policies as presented on the Daramalan web site at www.daramalan.act.edu.au/board-policies/ and agree that they will be bound by the Terms of these policies and that the student will uphold these policies.
15. I/We acknowledge that the Student's enrolment will commence from the time Daramalan accepts the Student for enrolment and will terminate on the earlier of:
 - Daramalan providing the Student, if eligible, with a graduation certificate at the end of Year 12;
 - the Student's enrolment being terminated in accordance with the provisions of this Enrolment Agreement, or;
 - at any time during the Student's enrolment, provided that I/we pay the balance of the school fees and provide the notice required, in accordance with this Enrolment Agreement.
16. I/We acknowledge that both persons who have legal responsibility for the Student must sign this Enrolment Agreement unless:
 - one of those persons can demonstrate in writing, to the satisfaction of Daramalan College, that he/she has sole legal responsibility for the education and enrolment of the Student and for payment of the tuition fees and charges levied by Daramalan. Daramalan College will be provided with any such court order or other relevant documentary evidence as acceptable to Daramalan; and
 - unless there is a court order or other relevant documentary evidence acceptable to Daramalan College stating otherwise, Daramalan may provide information relating to the Student's education and enrolment, for example, report cards and newsletters and information regarding Daramalan activities, to both persons who have legal parental responsibility for the Student, whether or not they have signed this Enrolment Agreement.
17. I/We acknowledge that My/Our obligations under this Enrolment Agreement will be joint and several and the compromise of any claim with, or the release of, any one of those individuals will not constitute a compromise with, or release of, the other individual. For the avoidance of doubt, this includes with respect to all school fees and charges for the Student which may be recovered from either or both Parent/Guardian.
18. I/We acknowledge that during the course of the Student's studies, the Student may create works in which intellectual property rights subsist. For example, copyright will subsist in the Student's original written work or art work. Daramalan College acknowledges that the Student owns those rights. I/We also authorise the College to use such works for current and future media activities to assist with the College's curriculum, and for the College's promotional and advertising purposes.
19. I/We, being the Parent/Guardian of the Student, acknowledge and accept that:
 - Daramalan College may, in its absolute discretion, determine when conduct of the Student warrants consequences and may apply such consequences as Daramalan considers appropriate in accordance with Daramalan's Policies and Procedures;
 - non-compliance with Daramalan College's policies and procedures by either the Student or Myself/Us may affect the Student's enrolment under this Enrolment Agreement; and
 - in the event disciplinary action is taken by Daramalan against the Student that involves the suspension or termination of the Student's enrolment, Daramalan College is entitled to charge or retain (as the case may be) the fees for the relevant Term.
20. I/We acknowledge receipt from Daramalan of the Daramalan College Information Collection Notice and the Fee Policy at the same time as receiving this Application and agree that I/we have read and understood the Information Collection Notice and Fee Policy prior to completing and returning this Application.
21. I/we understand and accept the conditions for enrolment as listed above.

DARAMALAN COLLEGE

FEES POLICY

ABN 33 008 428 33

Daramalan College school fees and levies are set by the Daramalan College Board. They are an annual charge divided for convenience into four school term payments. Annual fee increases can be expected and usually apply from Term 1.

Payment of Fees

Fees and levies are payable termly in advance or by instalment during each school term. Fees may be paid by direct debit each week, fortnight or month. If any family would prefer to pay by other means, authority in writing must be sought from the Daramalan Business Manager and, if authority is granted, the Business Manager will confirm the agreement in writing. For the avoidance of doubt, fees and levies become payable 14 days from the beginning of each school term or as otherwise determined by Daramalan from time to time (the Due Date) as indicated on the invoice.

Once a direct debit is setup, payments will continue until the fees and levies have been paid or until Daramalan is requested by the Parent/Guardian to stop the deduction by providing at least three business days' prior written notice. Families in the past have appreciated this for budgeting purposes. Attached to this policy is information indicating how much the Parent/Guardian will be required to pay each fortnight beginning Friday 8 February 2019 for each student. Payment of this amount will achieve the Parent/Guardian's full year's payment by Friday 13 December 2019.

If a payment is not approved by the Parent/Guardian's bank and is, therefore, not received by Daramalan, payment by another means MUST be made or Daramalan will continue attempts to debit the Parent/Guardian's account until the payment is approved. This may result in the Parent/Guardian incurring bank fees or charges. If a Parent/Guardian applies to pay fees by another method and fails to keep their payment as agreed, the Parent/Guardian will be required to change their method of payment to a direct debit so that fees are kept up to date, and do not accumulate.

Default and Consequences of Default

Fees and levies unpaid as at the Due Date are subject to an administration fee of \$15 (including GST). This fee will be debited to all family accounts outstanding from the Due Date. A further administrative fee of \$15 will be made each fortnight from the Due Date until the account is paid in full. Parents/Guardians will be required to indemnify Daramalan from and against all of Daramalan's costs and disbursements, including without limitation legal fees (on a solicitor-client or indemnity basis whichever is the higher), and in addition all of Daramalan's own nominee's costs of collecting any outstanding fees and levies in accordance with the Enrolment Agreement.

Privacy Act 1988

The Parent/Guardian agrees for Daramalan to obtain from a credit-reporting agency a credit report containing personal credit information about the Parent/Guardian in relation to credit provided by Daramalan (Consumer Credit Report). The Parent/Guardian agrees that Daramalan may exchange information about the Parent/Guardian with those credit providers named in the Application for Credit account or named in a Consumer Credit Report issued by a reporting agency for the following purposes:

- To assess an application by the Parent/Guardian
- To notify other credit providers of a default by the Parent/Guardian;
- To exchange information with other credit providers as to the status of this credit account, where the Parent/Guardian is in default with other credit providers;
- To assess the credit worthiness of the Parent/Guardian.
- The Parent/Guardian consents to Daramalan being able to give a Consumer Credit Report to collect overdue payment on commercial credit (Section 20F Privacy Act 1988).
- The Parent/Guardian agrees that information about the Parent/Guardian or Student provided to Daramalan (the Personal Information) may be used and retained by Daramalan for the following purposes:

- Provision of goods and/or services;
- Marketing of goods and/or services by Daramalan, its agents or distributors in relation to the goods and/or services;
- Analyzing, verifying and/or checking the Parent/Guardian's credit, payment and/or status in relation to the provision of goods and/or services;
- Processing of any payment instructions, direct debit facilities and/or the collection of amounts outstanding in the Parent/Guardian's account in relation to the goods and/or services.
- The Parent/Guardian further agrees that the Personal Information may be used and retained by Daramalan for any other purpose as agreed between the Parent/Guardian and Daramalan, or as required by law from time to time.

Daramalan may give the Personal Information about the Parent/Guardian to a credit report agency for the following purposes:

- To obtain a Consumer Credit Report about the Parent/Guardian; and/or;
- To allow the credit reporting agency to create or maintain a credit information file containing information about the Parent/Guardian.

NATIONAL REPORTING ON STUDENT OUTCOMES

The purpose of this information sheet is to advise parents (or caregivers) of data collection requirements arising from the decisions of State, Territory and Australian Government Education Ministers to improve the quality and national consistency of public reporting on student achievement. Ministers expect all government and non-government school systems and schools to comply with the new data collection and reporting arrangements.

What is the purpose of national reporting?

- The primary purpose of national reporting is to improve the educational outcomes of our young people by informing the Australian public, and especially the education community and parents, about progress towards achieving the *National Goals for Schooling in the Twenty-First Century*.
- For more information on the *National Goals*, go to <http://www.scseec.edu.au>

What is the situation now with the collection and reporting of information on students' performance?

- All school authorities must collect certain information from parents and/or students to fulfil their functions and obligations under State, Territory and Australian Government legislation, including accountability for spending public money.

- Governments must provide the community with information about school performance and the steps they are taking to improve student outcomes.
- Information on students' performance is reported in the annual *National Report on Schooling in Australia*, and on the *MySchool* website published by the Australian Curriculum, Assessment and Reporting Authority (ACARA).

What are the requirements for the collection of information on student background characteristics?

- State, Territory and Australian Government Education Ministers have agreed to common approaches across all States and Territories, in both government and non-government schools, to the collection and reporting of information on the sex, Indigenous status, geographic location, socioeconomic background and language background of school students.

What are the benefits for schools and students?

- Linking student background characteristics with students' results in national assessments in priority areas of schooling will allow schools to identify individual students' strengths and weaknesses; evaluate the influence of particular factors on student performance; judge the effectiveness of policies aimed at reducing the impact of such factors, and, as necessary, take appropriate steps to improve students' performance.
- The new arrangements will also provide parents with accurate and timely information on their child's progress compared with other Australian students of the same age and a measure of the child's achievement against national benchmarks or standards.

What information is required from parents?

- Parents will be asked for information on the following:
 - o the sex of the student
 - o the Indigenous status of the student
 - o the parents' occupations (in very broad terms)
 - o the parents' educational qualifications (also in very broad terms)
 - o the student's country of birth, and
 - o the main language spoken at home by the student and each of the student's parents or guardians.
- Most of this information is already collected by schools but it will now be collected in a uniform way across the country.

Why are schools required to collect information on the educational and occupational background of parents?

- Information is being collected on the educational and occupational background of parents so that school education authorities can evaluate the influence of socioeconomic background on students' educational outcomes across and within jurisdictions, and over time.
- This will allow critical evaluation of the effectiveness of policies aimed at reducing the impact of social or economic disadvantage on student performance, and assist school systems and schools in taking steps aimed at promoting an education system which is fair for all Australian students.
- Ministers have been concerned to ensure that the questions asked of parents are not overly intrusive. Parents will therefore not be asked to provide specific details of their education or income but, rather, will be asked to select an appropriate response from a limited number of broad educational categories.
