## From the Principal

**Dear Parents/  
Carers, Staff  
and Students,**

As the term comes to a close, the College has continued to be abuzz with an array of activities and student success. Today we had the pleasure of announcing our 2023 Student Leaders at our Whole-school Leadership Assembly. Our prayer and introduction this morning included reflections from former captains of the College spanning the six decades of the College's history. The Leaders announced today join a rich history of outstanding leaders who have served the Daramalan community. I would like to acknowledge all of the students who applied and put themselves forward to be considered for a leadership position in 2023, be it as a Peer Support Leader,

House Captain, Portfolio or College Captain. We are truly blessed as a community to have the depth of talent and willingness of our students who value and take on these roles. To those students who were not successful in obtaining a formal leadership role, know that leadership exists across all facets of our community and you do not need to hold a formal leadership position to lead.

There has been much commentary over the past week in relation to leadership and service following the passing of Queen Elizabeth II, and the impact of her leadership during her 70-year reign across aspects of daily life that many would not expect her to have touched. As a College, we recognised the contributions of Queen Elizabeth II last Friday morning through prayer and reflection. Next Thursday has been deemed a National Day of Mourning and Public Holiday and as such the College will be closed. Classes will resume as normal on Friday 23 September for the final day of term.

## From the Principal

Each and every day I see examples of unassuming, servant leadership through the actions of our students, staff and wider community. From our Social Justice group fundraising and raising awareness through the Vinnie's Sleepout, to the College Leaders doing 'check ins' for students and staff on RU OK? Day, to the Environment group sorting rubbish and recycling items. I am constantly humbled by the capacity of our community to live and truly epitomise our MSC ethos and charism.

At our assembly today, we were able to recognise four of these unassuming leaders through the Long Tan Leadership and Teamwork Awards and the ADF Future Innovator Awards. These awards were presented by Petty Officer Electronics Technician Submariner **Benjamin Hale**. Congratulations to the recipients of the Long Tan Award for Leadership and Teamwork, **Antonela Simunic** (Year 12) and **Ashleigh Nguyen** (Year 10), and the ADF Future Innovator Award, **Thomas Bridgart** (Year 12) and **Az Pekarsky** (Year 10).

### Charity Walk/Athletics Alternative Day

Thank you to all of our families who supported the alternative Charity Walk/Athletics day last Friday. Unfortunately, the weather was against us again! The activities on the day were facilitated by our College Sports Captain, **Tom Dau** (Year 12) and the House Captains. On behalf of all of the students, I would like to extend an enormous thank you to them, the Pastoral Team and all of the staff who participated in the spirited fun in the Sports Centre. It was wonderful for the House Captains to be able to finally have an event where they could work with their Houses! The community spirit and a feeling of relative normality that the students and staff have been craving was especially evident throughout the day. The monies raised through food sales and donations will be distributed to three charities: MacKillop House, St Nick's Young Carers Program, and the Central Australia Immersion Tour Community Project. There is still time to donate through the Qkr! app if you would like to support these charities. On behalf of the community, I would also

like to thank **Ms Cheryl Hamill**, **Mr Angus Balmaks** and **Ms Yvonne Turnbull** for all of their behind the scenes logistical organisation that enabled the day to pivot and adapt with only two days' notice. I would also like to thank our parent and carer volunteers who braved the inclement weather to help with the distribution and preparation of morning tea and lunch on the day. We are extremely grateful for their support.

### Parent-Teacher-Student Interviews

Due to the public holiday which has been gazetted for **Thursday 22 September** the calendared Parent-Teacher-Student interviews will now be held on **Wednesday 21 September 4-6:30pm**. As indicated in the booking instructions provided by **Ms Cheryl Hamill** (Deputy Principal), these interviews will take place online via MS Teams. Students have completed Learning Reflections in each of their classes prior to the evening which will provide a prompt for discussions at the interviews. These self-reflection rubrics and the associated goals will provide a rich discussion opportunity not only at the formal interviews but as students move into the second half of the semester.

### Scholarship Fund

Our thanks to all of the families who support the Athlete's Foot Schools Programme each year. A representative from the Athlete's Foot recently visited the College to present a cheque for \$1200 in support of the College Scholarship Fund. These funds enable students to attend Daramalan who may not otherwise have the opportunity due to financial hardship. There are many ways that families can help support our Scholarship Fund throughout the year, including tax deductible donations, purchasing school shoes and runners at the Athlete's Foot, or through supporting fundraising events such as the upcoming DaraDozen.

### Year of the Heart Celebrations

As we enter the second half of our 60th Anniversary year, I am pleased to confirm that we will be holding our Community Cocktail function on **Saturday 22 October 5:30-7:30pm** at the College. Tickets for the function are now on sale and can be purchased at <https://events.humanitix.com/>

## From the Principal

[daramalan-college-60th-anniversary-community-cocktail-party](#) We look forward to being able to celebrate together as a community in early Term 4.

### 2023 Enrolments

We have a significant number of families seeking places in each of our year groups for 2023 where there are currently no vacancies. If your child is currently in Years 7-11, and will not be returning to Daramalan next year, we ask that you let us know as soon as possible so we can assist other families. Please do this by notifying the Registrar, **Ms Damaris Brown**, via the email [enrolments@daramalan.act.edu.au](mailto:enrolments@daramalan.act.edu.au)

### Uniform Shop and Term 4 Uniform

The College Uniform Shop opening hours for the holiday period can be found on the College Website at [Uniform Shop](#). Students should return for Term 4 in their summer uniform. Can I please remind families that the length of dresses and skirts should be worn to the knee. As your student may have experienced a growth spurt over winter, I would encourage families to check their summer uniforms early in the holiday break to enable replacement uniforms to be purchased prior to the return to school.

### Holiday Hours

During the holiday period from 26 September - 7 October, Reception will be staffed from 9.00am – 4.00pm Monday to Friday, other than Public Holidays. If you leave messages for teachers by email or phone, please be aware that these may not be attended to until school resumes on Monday 10 October at 8.45am.

### Staffing

We learned earlier this month of the passing of **Mrs Jean Reid** aged 106. Jean was one of the foundation staff members of the College in 1962 and one of only two women employed initially. She was a trailblazer in the area of Learning Support and in ensuring that inclusion was and remains a key facet of our College over many years. One of the College's Buildings is named in her honour and we intend to plant a tree in remembrance of Jean in the gardens outside this wing, marked with a plaque. We are indebted to Jean for her dedication to the education of so many young men during her time as a teacher and as a mentor to many staff during the foundation years of the College.

Mrs Jean Reid with Daramalan College Student

We will have a small number of staff changes at the end of this term. **Mr Bill Phelan** will be retiring after almost 14 years of service as a RE teacher and Pastoral Care Advisor. **Mr Marty Capon** will take on the Merrick PCA role for Term 4. **Mr David Gooley** has taken a position at another school and will leave us at the end of the term. **Ms Eve Fitzpatrick** will be joining us to take a number of Mr Gooley's classes. **Ms Cathy Cheng** will also be leaving at the end of the term as **Ms Marlena Nitsche** returns from leave. **Mr James Keeley**, **Ms Trish Halangahu** and **Ms Megan Colwell** will return from their respective leave. I would like to acknowledge **Ms Cheryl Hamill** and **Ms Carlie Dwyer** for their work in the Deputy and AP Mission roles this term.

At the recent ACT Design and Technology Conference, **Mr David Kerr**, was recognised with the Teacher Merit Award for a teacher who has been teaching for less than four years. Mr Kerr was also a presenter at the Conference. **Ms Heike Craig** also recently presented at the National Conference for Teachers of German at their conference in Melbourne, following her study in Germany over the July holidays.

### Student Achievements

Congratulations to the Daramalan Dance Company for another outstanding performance at the Wakakirri Finals Performance Evening. They were wonderful ambassadors for the College, and I was delighted that our Arts and Culture Captain, **Ben Philp** (Year 12) delivered the Acknowledgement of Country in language for a second time at the Canberra Theatre. Congratulations to our Band and Choir students on their performances and achievements at the Wagga Eisteddfods where they were able to perform in person for the first time in two years. Our congratulations are also extended to the String Ensemble on winning Gold at the National Eisteddfod. You will be able to read more about each of these achievements later in this edition of Daranews.

## From the Principal

Congratulations to all of the players, coaches and umpires who were recognised at the recent Winter Sport Presentation Evenings. Each of these evenings were a wonderful celebration of the season of sport that has just come to a close. I urge you to read more about these evenings in the Sports Section of this edition of Daranews.

Congratulations also to the following students for their selections to represent the ACT in a range of School Sports:

- **Bailey Macdonald** (Year 9) - Road Cycling
- **Isla Lane** (Year 7) - Oz Tag
- **Grace York** (Year 7) **Sophia Dobbie** (Year 8), **Tatum Mazis** (Year 10), **Dashiell Robinson** (Year 10), **Eden Rodda** (Year 8), **Pearl Tein** (Year 9), **Bonnie Young** (Year 8) - Football/Soccer
- **Evelina Tuipeatau** (Year 7) - Netball

**Evelina Tuipeatau** and **Ella Higginbotham** (Year 7) have also recently featured in the Queensland Courier Mail as Captain and Vice-Captain of the ACT Netball team who are currently competing at the National Championships.

### Issoudun Performing Arts Centre Construction Commencement

As I indicated in my recent correspondence, construction of the Issoudun Performing Arts Centre has started. This project has been in the planning phase for many years and delayed due to the Covid-19 lockdowns and restrictions especially in 2021. It is very exciting to finally be able to see progress and we are hoping that weather permitting, the project will be completed by the end of 2023 for students to access and use for the 2024 school year.

The beginning of construction has meant that parking at the College is now extremely limited. I am conscious that in my previous correspondence it was not clear that the Jubilee Gates (closest to the oval along Morphett Street) remain both entry and exits to the lower College carparks. Thank you in advance for following the adjusted traffic flow measures, especially the no left turn from the Chevalier Gates.

I wish you all a relaxing and a restful holiday break. I look forward to welcoming students back on Monday 10 October.

Best Wishes,

Rachel Davies  
Principal

## Vinnies Sleepout

On Friday 2 September, Daramalan staff and students braved the cold and participated in the annual Vinnies Sleepout. When we arrived, we set up our sleeping areas with cardboard and plenty of warm blankets. Not too long after, we all enjoyed a delicious sausage sizzle, before heading into the Common Room to hear from members of St. Vinnies. While taking part in many fun games, we learnt about homelessness, its causes, and what we can do to help. Gathered into the Senior Common Room, we finished the night watching *The Lorax*, before putting on plenty of layers and heading to bed.

Following a cold night (luckily without any rain), we reflected on our experiences as a group. A warm breakfast was cooked for us, which everyone enjoyed, before packing up and heading home. The Vinnies Sleepout is a valuable, rewarding and memorable experience and we are looking forward to taking part again in 2023.

## Dara 7's

It was great to have the Dara 7s back in person this year. The competition between all of the Houses was high with all of the teams putting their Mathematical skills to the test! In a tense final between Goolagong and Cuthbert, it was neck and neck until the final round. Congratulations to Cuthbert, the Dara 7 Champions for 2022! This year an inaugural student verse staff Dara 7s competition saw the students reign supreme. Well done to everyone who participated and had a go at solving 7s problems throughout the competition.

## 2022 RACI Titration Competition Final

The 2022 RACI Titration Competition ACT Final was held at ANU on 31 August. The top 10 schools competed in a more challenging practical competition lasting for 3 hours!

The Daramalan team, **Maurice Baxter**, **Noor Dahar**, and **Molly Michie** (Year 11), showed great initiative by

entering the competition, dedicated time after school for practice sessions with **Ms Nicole Hinton** and **Ms Mathurra Sivapalan**, and worked incredibly well as a team. They received a silver medal prize for their efforts in the final.

## Disasters at Daramalan!

As part of their study of our 'Changing Earth', Year 12 Earth Science students have been designing experiments to investigate the effects of natural disasters on people and places. Students explored a variety of topics including bushfire behaviour, tsunami defence mechanisms and soil liquefaction during earthquakes. On Thursday 25 August, students undertook their experiments before heading off to Questacon to discover how different disasters and their related scientific concepts can be modelled to educate others. A fun day was had by all, even if the legendary 'free fall' slide was closed!

## Oodie Day

As a part of the Book Week theme 'Dreaming with Eyes Open', the English Department organised a fundraising event. On Thursday 25 August, students were encouraged to wear their Oodie to support the theme of dreaming and The Pyjama Foundation. Donations helped The Pyjama Foundation to offer learning skills to more than 1000 children living in care, fund educational resources and help provide stable, positive relationships. In total, \$229.40 was raised to support this cause. Well done to everyone involved.

# UN Youth Evatt Competition

On Friday 2 September, Year 11 Global Studies students participated in the UN Evatt Competition. Representing the member states of the United Nations Security Council, students engaged in world affairs and issues by debating mock Security Council resolutions on the topics of extradition and government stability.

Congratulations to **Rory Bell** and **Jarrold Bates** (Year 11) for being selected for the ACT Finals on Sunday 18 September! A special mention goes to **Emil'e Van't Hof** and **Ava Llewellyn** (Year 11) who represented France for effectively passing an amendment to the extradition resolution and to **Sophia Bissell** (Year 11) for confidently supporting the stance of the United Arab Emirates on constitutional monarchies. Thank you to **Ms Sophie Peacock** and **Mr Jason Paris** for helping students prepare for the day.

# Language Study Tours 2023

It is exciting that we can offer our Language Tours again for the 2023 Year 9-12 Languages students. The Tours to France, Germany and Japan will take place in September/October 2023. ## Food Technology

### Chocolate Class

Year 11 Hospitality students recently had the privilege of having CIT Lecturer and the Olympic Culinary Coach **Dammika Hathrasinghe** talk to the students about what makes quality chocolate, the art of tempering and how to pipe the perfect Filigree chocolate garnish. Students then had a hands-on experience demonstrating what they had learnt with a few taste tests along the way.

Thanks again Dammika for your support of the Food Technology Department at Daramalan.

**Mr Dean Parkes**

## Explosion Catholic Youth Conference

Explosion is a Catholic Youth Conference for students in Years 7 to 12. It is run each year by the Disciples of Jesus Catholic lay community in Canberra along with the Missionaries of God's Love Sisters and the Missionaries of God's Love Priests and Brothers.

Explosion 2022 will be held at St Edmund's College, Canberra from **Tuesday 4 October – Friday 7 October**. It is a live-out conference so you go home at night but spend the whole day and evening at St Edmund's from 9am-9pm (the first day starts at 5pm with registration).

If travelling from outside Canberra, participants will need to make private arrangements for accommodation and to be transported to and from St Edmund's each day.

Explosion is a conference where young people can seek to answer the big questions about life and faith. It is an opportunity for youth to be formed intellectually in their faith and to deepen their relationship with God.

The Explosion theme question for 2022 is "What's Missing?"

Participants can expect quality speakers, interactive games, powerful prayer, music and food. They'll also get the opportunity to connect with around 100 like-minded students from around Canberra and beyond.

The registration cost is \$120 inclusive of all meals throughout Explosion and \$100 for any siblings!

# Year 9 Dance Production 'Through an Open Window...'

Pack a picnic and head down to Floriade!

On **Friday 23 September Louise Chapman's** Year 9 Daramalan Dance class will proudly present and perform 'Through an Open Window' at 1:45 pm at Stage 88, Commonwealth Park, Floriade. This dance will be performed alongside the Daramalan Dance Company's 2022 Wakkakiri routine 'I Got Rhythm!' and the Year 10 production 'Changing Seasons'.

'Through an Open Window' is inspired by the 1953 animated Walt Disney film 'Peter Pan' and incorporates many of its lovable, and less loveable, characters. Scenes and settings from the original have inspired extravagant costumes, personas, props and backgrounds throughout this piece. 'Through an Open Window...' depicts the adventures of Peter Pan, Tinkerbell, Wendy and the Lost Boys as they combat crooked Captain Hook and his party of pirates, trek through thick forests, swim with majestic mermaids and fly back before their parents arrive home. This dance incorporates bubbly, joyful, dramatic and suspenseful themes which are expressed through the selective choices of music. In creating this production each of the dancers from the class were allocated a stagecraft

responsibility, many of which included creative design, construction skills and imaginative thinking. Through teamwork and critical thinking, this imaginative lyrical dance was created. Good Luck Year 9 Dance!

## Shrek Cast Interviews from Year 9 Journalism Students

To build a meaningful cross-curriculum activity, the Year 9 Journalism students had the pleasure of interviewing and writing short profiles on the cast of *Shrek the Musical Jr.* This allowed them to practice their interviewing and drafting skills with very short turnarounds to mirror the world of a newsroom. There are so many hours spent by staff and students overcoming countless challenges to create a school production. So, this is one way of celebrating their efforts prior to opening night.

We are so thankful to **Ms Lucy Cronan**, **Ms Charlotte Blackley** and the cast for providing the forum to allow this to occur, and we have our tickets booked!

### Mr Jason Paris

**Joe O'Daly** (Year 9)  
**I Gingy I Ensemble I**

"I really enjoyed taking part in the play and chilling with the other cast members. I lost my voice towards the start of rehearsals, so I had to drink a lot of herbal tea. I am pretty happy with my character but if had to choose a different character, I would have been Donkey. I really improved on my singing; it went from terrible to bearable." Interviewed by **Nicholas Allen**

**Will O'Brien** (Year 7)  
**I Papa Bear I Ensemble I**

"Meeting the cast was one of the best things about this production. I found remembering the dance moves and lines a bit difficult, but I figured it out. I would never change characters but if I had to choose another, I would probably be Pinocchio. I don't think I have improved my acting skills very much, but I did improve my dancing." Interviewed by **Nicholas Allen**

**Ruby Holden** (Year 8)  
**I Young Fiona I Knight 3 I Ensemble I**

"Playing young Fiona has been a learning experience and I have enjoyed playing her character so far. The role is only minor, but I am excited for what is to come. As I'm younger and haven't done a musical before, this has been quite a journey for me, but I have loved every bit. I love to perform and put a smile on people's faces. Despite never doing Drama at Daramalan, I just wanted to put myself out there to have a new experience. I am still learning how to react to other people and put myself in my character. I think this experience has taught me to put yourself out there and just fake it until you make it. Doing this musical has let me get to know the older years which has been really nice, and I feel as though this musical has made me mature and remind me that the younger kids who have roles, see me as an example. I have worked closely with cast member Lucy O'Neill (Year 10). I think that she is playing the role of Fiona very well and that the role was made for her. My acting skills have definitely improved. I didn't have much experience with acting so this has been a great experience to just learn and have fun with it." Interviewed by **Johanna Bissell**

**Jennifer Noveski** (Year 10)  
**I Dragon I**

"I expected my role to be fun and diva, but I did not expect it to be so extravagant" says Year 10 student Jennifer Noveski. Jennifer, who is playing the Dragon for *Shrek the Musical Jr.*, is excited for performing day but states, "nerves will be there when performing". The cast rehearses two times a week and had intensives at the Canberra Theatre. "It sounds like a lot, but we don't have a lot of time in rehearsal." Jennifer loves the community and friends she has joined, "the ups and downs that everyone goes through is the most enjoyable part, during the down times we just tell each other 'It's *Shrek the Musical*, just do it!'" Jennifer talks about the challenges throughout the process, saying "the difficulties are worth what you get in the end." The production has had to sacrifice and cut out certain scenes. Jennifer states that the play "is a condensed version of the movie, it has the same comedy and jokes but with a twist." The entire process has been enjoyable for Jennifer, and she makes sure to state, "If it's something you can take on, definitely do it!" Interviewed by **Emma Bogaart**

## Shrek Cast Interviews from Year 9 Journalism Students

### Jack Uhlmann (Year 9) I Lord Farquaad I

Jack shares that his favourite part of the experience has been meeting new people and getting to work alongside them and his least favourite part has been the singing. Jack learned that the process of musicals is that it requires a lot of hard work, determination and commitment, and can sometimes get very tense. He is looking forward to opening night and is feeling pretty confident about it but hopes his singing will, at least, be voice-crack free. Interviewed by **Elly Collins**

### Ashleigh Nguyen (Year 10)

#### I Peter Pan I Skeleton Knight I Rat Tapper I Ensemble I

Ashleigh has always spent a lot of her life performing and on stage. It is something she is passionate about and loves. She originally auditioned for the role of Dragon in the Daramalan Theatre Company's Production of 'Shrek the Musical Jnr.' but got the role of four characters: Peter Pan, A Rat Tapper, A Skeleton Knight and one of the Dulocians. Even though this is not the role she auditioned for, Ashleigh does see similarities between herself and her characters, specifically Peter Pan. She compares them saying, "We are both quite jumpy and mannerism wise, we love to do acrobatics and fly around. Peter also has values and morals that he sticks too, and I believe I am similar to him in that way". This was Ashleigh's first musical ever so singing in front of an audience was very scary, out of her comfort zone and a bit of a struggle, but she has rolled with the punches. Ashleigh did struggle but she believes she has improved on everything, stating "My acting, singing, confidence and connections with people have all improved. Especially my confidence since I had to step into a different type of role, be a leader and do choreography". As Ashleigh is in Year 10, she believes doing this musical is an amazing opportunity as it could possibly be one of her last productions with the Daramalan community, so she wants to make all the memories count. The whole experience has been a highlight for her. "Everything has been so great, being with people who share the same passions is just an awesome thing to be a part of." Interviewed by **Ruby Di Petta**

### Lucy O'Neill (Year 10) I Princess Fiona I

Playing the role of Fiona has been "a very enjoyable experience so far", as Year 10 student Lucy O'Neill says. "I wanted to utilise my previous acting and singing skills in this year's school production and being Fiona is very different to anything else I've ever done." Lucy comes from a background of singing, dancing, and performing, as she has previously been in Daramalan Theatre Company productions like Peter Pan and A Midsummer Night's Dream. She was in the Choir at primary school and now at Daramalan, she says that being in the Choir "made me build up the courage to sing in front of people and it's really fun to see where my voice is at." Lucy decided to start her acting experience at Daramalan in Year 8 and says, "I absolutely fell in love with it and loved having Ms Lucy Cronan as my teacher. The auditioning experience was nerve-racking, but I feel like I'm somewhat prepared." Lucy says she always wanted the role of Fiona and playing her character has taught her not to have to care about the trends and everything that people are doing, and she doesn't feel like she has to follow anything that's popular because Fiona doesn't worry about that. "There's actually so much more to her character, she has taught me to be more like her." When asked about whether or not she thinks her acting skills have improved from taking part in the musical, Lucy finishes with saying, "absolutely, definitely!" Lucy's lead role as Fiona has taught her a lot about her acting skills, stage presence and has helped her build confidence in performing as she has found the experience "really fun!" Interviewed by **Remy Frawley**

### Emma Rynehart (Year 10) I Bishop I Props Manager I

Emma Rynehart plays the Bishop and is also the Props Manager in Daramalan College's production of Shrek the Musical Jnr. She said that in terms of the audition experience, "there was lots of team-building and name games which were fun and also that the environment was very different to A Midsummer Night's Dream (a previous school production), that it is a more friendly and fun production." When asked about what she was finding challenging and what was pushing her out of her comfort zone, Emma said that she "likes knowing what's going on at all times, so this experience has pushed me because I have the two roles both on stage and backstage, so that can sometimes be confusing". Emma did say that she thinks that practising for the musical has improved her lifting skills (lifting people up). "In intensives, we had to try and lift up Archie (Shrek) and there was four of us and it was so stressful, and I almost kept dropping him!" She also said that she was so excited for everyone to see the musical and was especially excited for "Lucy (Fiona) to have her moment. She was in A Midsummer Night's Dream, but she loves to sing, and she gets to do that in this musical more." Interviewed by **Ruby Jones**

### Charlotte Jimmieson (Year 10) I Pig 1 I Storyteller 1 I Rat Tapper I Ensemble I

Charlotte Jimmieson (CJ), a Year 10 O'Brien student is taking on the character of one of the Three Little Pigs in the production Shrek the Musical Jnr. Although CJ does not see a career in acting, she is really enjoying the experience of working with her peers and teachers to bring this lovable character alive. She was originally influenced by her friends to audition but she is enjoying stepping into the characters shoes and trying to be like her character as much as she can. Her favourite part of playing a Little Pig is interacting with the other two pigs. She says it was quite awkward and weird at first but once she talked with her peers it became more fun and enjoyable to participate in the musical. See

### **Ruby Jeremenko (Year 7)** **I Knight 1 I Ensemble I**

Ruby Jeremenko in Year 7 plays Knight 1 in the 'Shrek the Musical Jnr.' production. With the musicals release only a month away, she told me how she feels about it. She said that the play has been fun, and that she has enjoyed being able to hang out with friends and further develop her acting, singing, and dancing skills. She said she has gotten out of her comfort zone. Whilst her role is small, being around the older students has been a nervous experience for her. Ruby said she's very excited for the musical's release and to show her friends all the hard work she's put in. Interviewed by **James Lestone**

### **Abi Mair (Year 7)** **I Dwarf I Ensemble I**

Abi Mair, a Year 7 student, is performing in Shrek the Musical Jnr. She has several minor roles, but her most well-known is that of Dwarf. When asked about her thoughts on playing the character, she stated that "it was hard and helped me push outside of my comfort zone." She has thoroughly enjoyed the experience of the production because it has assisted her in broadening her acting and singing abilities, as well as learning and improving her dancing abilities. She described her experience throughout the production as "enjoyable and everyone there was friendly but that she found dancing challenging" and she was not confident that she was a good dancer. She has also learned that "it is better to come forward towards the stage and project your voice than be quiet" as well as how to display emotions well through facial expression to grab the viewer's attention. Throughout this production Abi has been highly influenced and motivated by both Ms Lucy Cronan and Ms Amy Kowalczyk and she looks up to them. "They have helped a lot throughout the journey of this musical which is why it will be so successful." Interviewed by **Dixa Mathew**

### **Lily Steinman (Year 9)** **I Mama Bear I Mama Ogre I Ensemble I**

After months of hard work, singing, dancing, and acting, Shrek the Musical Jnr. will be performed by the Daramalan Theatre Company on Saturday 8 October. Lily Steinman who plays several roles in the musical including Mama Bear and Mama Ogre, discussed her characters and experience in the production of the musical so far. Lily originally joined the musical as a chance to re-immers herself in the Theatre Company after previous enjoyable experiences, curiosity, and a love for theatre. Lily described the audition process as a fun experience, noting how great the event was to get to make new friends, and meet new people. To prepare for the audition, Lily familiarised herself with several songs and scenes and practiced these most nights leading up to the big day. The auditions involved both group and individual tasks including singing, performing scenes and a choreographed dance. Although Lily thoroughly enjoyed all of these, she believes that she is more of an actor than a singer or dancer. Lily connects most with the kind, caring, but short-tempered character of Mama Bear; recognising many of the character's personality features in herself. Interviewed by **Sophie Neighbour**

### **Kayla Reimitz (Year 9)** **I Pig 3 I Storyteller 3 I Ensemble I**

Kayla Reimitz plays one of the Three Little Pigs in Daramalan Theatre Company's Shrek the Musical Jnr. She has been in very few projects, only ensembles in her primary school musicals. One of the many difficulties

Kayla encountered when trying to develop her character was trying to speak with a German accent. Kayla explains how she wanted to originally audition for the Dragon and took part in the musical for the singing aspect. She says that she and the cast rehearse two times a week and that the rehearsals "depend on the day", but usually consist of blocking, singing, dress rehearsals and working on things they either haven't done yet or haven't got completely down yet. Kayla didn't think she would pursue a career in acting because of her lack of confidence but she now believes that there could be a chance because of this musical. Interviewed by **Charlotte Palmer**

### **Sophie Davidson (Year 9)** **I Pinocchio I Ensemble I**

Sophie Davidson, a Year 9 Lawson student, will be taking the stage on Saturday 8 October, in Daramalan Theatre Company's Production of Shrek the Musical Jnr. as the lovable, funny, and energetic wooden boy, who longs to be a real Pinocchio. Pinocchio is a fairy tale character, that has been reprised in many different movies, TV shows and musicals, such as the original Shrek movie which this musical is heavily based off. Sophie says that she is excited for her first theatre experience at Daramalan and has enjoyed her time bonding with her fellow castmates and experimenting with unique voices and gestures for her character. She is looking forward to the opportunity to perform and create an immersive and enjoyable experience for all that come to watch the show. As Sophie says, "It is something you do not want to miss!" Interviewed by **Samantha Rankin**

### **Matilda Keefe (Year 8)** **I Puss in Boots I Ensemble I**

Matilda (Tilly) has the joy of portraying Puss in Boots. Tilly enjoys dancing, singing and being able to be theatrical. Learning the dances was the hardest challenge Tilly encountered during the play. She says, "the dances contain intricate moves, and I'm not the best dancer in the world. There are a few minor hiccups that we need to smooth out, to be ready for a crowd", she says laughing. Performing in front of a crowd comes naturally to her and the portrayal of Puss in Boots has gotten Tilly out of her comfort zone and made her more confident in herself. # National Health and PE Day

## National Health and PE Day

On Wednesday 7 September, Daramalan College celebrated National Health and PE Day which commenced bright and early in the Dempsey Quad before school. Students were encouraged to produce a one-minute effort on a cardio machine to earn a delicious and nutritious smoothie made by the multi-talented PE staff. At lunch, we saw a plethora of activities including Beat the Teachers at Pickleball (a modified version of Tennis) and Badminton, as well as Basketball and Futsal shooting competitions. In HPE classes throughout the week, students who showed exemplary effort and application were awarded raffle tickets, with the major prizes including sporting goods vouchers, basketballs, footballs, Daramalan sport merchandise and more. A great day was had by all, and plans are already underway to make HPE Day 2023 even better. We would like to thank our amazing HPE staff who went above and beyond to ensure our students had an enjoyable experience as well as all the students who participated with enthusiasm.

### Winter Sport

September brings with it the end of the Winter sports season. Thank you and congratulations to all students who represented the College in a Winter sport (or two) this season. While we celebrate the success of those who went on to win their Grand Finals in Season 2022, we would also like to recognise the dedicated students who committed to training and playing over the winter months. 'The strength of the team is each individual member. The strength of each member is the team.' -Phil Jackson.

Our Basketball, Netball, Hockey and Rugby programs would not survive without the dedicated parents, current and former students and staff who coach and manage teams. Thank you to all our wonderful coaches and managers, for your time and dedication to Daramalan sport!

This year we were fortunate to have highly qualified staff as convenors for each of our Winter sports. **Mr Seth Stoltenberg** (Rugby) and **Mr John Gale** (Basketball) have built on their previous years effort and taken their sports to another level with continuity throughout the coaching and managing ranks. **Ms Tanya Wilson** (Netball) and **Ms Erin Gustus** (Hockey) have provided a fresh perspective and approach to their sports and we look forward to seeing them further implement their ideas in future years. Thank you from the Daramalan community for their time and commitment throughout the season.

## 2022 Dara Rugby Season Wrap

The 2022 Rugby season has been a fantastic one both on and off the field. We have increased registration numbers across the program, we've seen an increase in staff involvement, coaches and managers and we had over 50 players selected in Representative Rugby Teams throughout the season. We started the season with some trial matches at home and on the road with Daramalan teams taking on Shore in Sydney, Sydney Grammar, Scots All Saints from Bathurst, Canberra Grammar, South Coast 7s Tournament, Vikings Rugby Gala Day and the Associated Southern Colleges 7s. These trial matches have set all teams up for the season ahead allowing them to be best prepared heading into Round One. This year we were able to host functions such as the Ladies Day Function, Back to Dara Day and the Dara Rugby Trivia Night. All money raised went towards the Rugby Program, Rugby Tour or rewarding the people we care about the most such as the women in our lives. This year we saw plenty of success on the field with all teams playing Semi-Finals and four of our teams progressing

to the Grand Final which was held at ANU North Oval on Sunday 4 September. Three out of the four teams were victorious with the Under 14 Girls, Under 14 Boys Black and Under 16 Boys all winning their respective matches on the day to cap off wonderful seasons from all teams. I would like to make a special mention of a few people who contributed to the Rugby Program this season: **Mr Scott Chapman** (BBQ), **Mr Dean Parkes** (Rugby Set Up), **Mr Shane Leslie** (Rugby Set Up), **Ms Annie Anderson** (Set Up, Canteen and Manager), **Mr Ben McGee** (First XV Coach), **Mr Ged Beattie** (First XV Manager), **Ms Mel Marlborough** (First Aid), **Mr Marty Capon** (Around the Grounds Assistant and Under 13 Coach), **Mr Andrew Withers** (Ground Marshall and Under 14 Boys Red Coach), **Mr Nick Edwards** (Coach and Assistance), **Ms Yvonne and Mr Greg Turnbull** (Back to Dara Day Function), **Angus Davidson, Jett Parkes and Cooper Leslie** (Year 7) for the work setting up each home game, **Blake Eggerton, Archie Edwards and Cooper Power** (Year 8) for their work in the Canteen at each home game and of course the First XV for their efforts on game day cooking the BBQ, working in the Canteen, running water for the junior age groups and assisting coaches wherever possible. I would also like to thank the 2022 Sponsors for their support of the Rugby Program this season.

### **R U OK? Day – 5 Rewarding Careers to Explore in Mental Health**

There have been two days recently that seek to raise awareness of the importance of mental health in our communities and how we can help to look after each other – especially during times of stress and challenges. Explore Careers thought this would be the perfect time to highlight some of the enriching careers you could explore in mental health:

#### **1. PSYCHOLOGIST**

Psychologists are trained to determine whether individuals are experiencing cognitive, psychological or emotional disorders. Psychologists require a Bachelor's Degree coupled with postgraduate study and work experience before becoming fully accredited.

#### **2. MENTAL HEALTH NURSE**

Mental Health Nurses train as Registered Nurses before specialising in mental health. Within Australia, you can complete a fast-track Nursing Degree for two years before proceeding to postgraduate study and work experience in a dedicated area of your choice.

#### **3. MENTAL HEALTH OUTREACH WORKER**

Mental Health Outreach Workers act as liaisons between patients, their families and other mental health professionals.

#### **4. MENTAL HEALTH COUNSELLOR**

Separate from Psychologists, Counsellors tend to rely on talking therapies to help their patients work through their mental health challenges and reach positive conclusions and outcomes.

#### **5. DISABILITIES SERVICES OFFICER**

Disabilities Services Officers work with individuals within the community and social care settings to help them manage and overcome mental or physical health challenges. These careers are only a snapshot of what you could do and get involved in. Why not check out the Healthcare and Social Services industry profile to learn more about this incredible sector.
