Software and Apps

Anti-Virus - You should have adequate anti-virus protection software installed on your child's devise. Windows 10 comes with inbuilt anti-virus, though you may still wish to purchase third party anti-virus, to ensure security.

O365 - Microsoft provides free Office 365 educational licenses to all Daramalan students. All apps and services are available through Daramalan when a student's school account is created. These include:

- Outlook
- Word
- Excel
- PowerPoint
- OneNote
- OneDrive (1 TB personal cloud storage)

Additional Considerations

- A case, sleeve or bag to protect the device.
- Additional warranty and/or insurance
