From the Principal

**Dear Parents/
Carers, Staff
and Students,**

As we begin another term, I extend a warm welcome back to all our students, staff and families. In this edition of our Daranews, you will find

updates on recent happenings and what's ahead.

There are some staffing changes to commence Semester Two while staff are on well-earned Long Service Leave. The following staff are currently in acting roles: **Mr Brendan Collis** (Assessment and Assurance Coordinator), **Ms Megan Colwell** (Lyons House Coordinator), **Mr Sean Connochie** (Merrick House Coordinator), **Mr Nathan Greatz** (Deputy Principal), **Mr James Keeley** (Principal), **Ms Megan Kelly** (Assistant Principal Pastoral Care Years 9-12), **Mr Dean Parkes** (O'Brien House

Coordinator) and **Ms Tanya Wilson** (Cuthbert PCA).

On Wednesday evening, I had the chance to attend the Wakakirri National Story-Dance Festival for Schools at the Canberra Theatre. The performance by the Daramalan Dance Company students was impressive and truly enjoyable. Their dedication and talent were evident throughout the entire show. Thank you to **Ms Lucy Cronan** and **Ms Louise Chapman** for the hours of rehearsals that they have supervised in the lead up to the performance.

We are proud of our students representing the ACT in various sporting competitions across Australia and representing the country internationally at events. These opportunities are only possible with the dedication of our staff and families who make significant contributions and sacrifices to ensure our students can participate in these events. So, thank you to everyone who has supported our students and we wish them success in their endeavours. We always welcome feedback as to how they progress so that we can

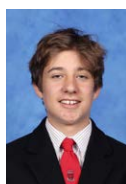

Year 12 Reflection at Stanwell Tops

From the Principal

acknowledge and celebrate their achievements.

I am pleased to share with you the following achievements of several students including:

- **Natalia Cerne** (Year 9) who was a ball girl for the Matilda's at the opening FIFA Women's World Cup match against Ireland.
- **Ruby Holden** (Year 9) was selected to sing the National Anthem at the Legacy Torch relay event.
- **Elle Krinas** (Year 12) has been invited to attend the Fonteyn Awards in London for her high achievements in Dance.
- **Dylan Charles** (Year 12) who recently won the Future Leaders Photography competition, an Australia-wide competition that seeks to acknowledge and recognise leaders of the future in their chosen field.
- **Cathy Spavins** (Year 12) who has been selected to represent Australia as a member of the U24 Dragon Boat team.
- **Nico Vaccarella** (Year 10) and **Carlo Vaccarella** (Year 8) who are currently representing Australia at the BMX World Championships in Glasgow.

Soon our Year 9 and Year 11 students will begin the application process for the student leadership positions in 2024. Our Year 11 students participated in their Leadership Day on Monday where they came together as a cohort and then in House groups to consider what they believe are the qualities of a leader in an MSC school. The day was facilitated by **Burn Bright** and I would like to commend the students for their approach to the day and their engagement with the activities. Our Year 9 students will also have the chance to consider their role as Peer Supports in Year 10 and put forward their applications should they wish to be considered. Please ask students to contact their Pastoral Leader if they wish to find out more information on student leadership opportunities available in the College.

To start the term our Year 12 students participated in the Year 12 Reflection at Stanwell Tops. This was an opportunity for the cohort to step away from school and work together on building stronger connections as a year group. The camp included opportunities for activities such as abseiling, giant swing, bubble soccer, high ropes and go-karting, which was complemented with time for reflection, building a sense of hope and looking to the future. Thank you to the staff and students for the way in which they engaged in all the activities to get the most out of this experience. Year 12 also recently attended a presentation from **Mr Brent Sanders** which covered important topics such as: awareness in social situations, consent, legal definitions, exit strategies, decision making, peer pressure, choice and consequences. These important experiences and presentations will help support our students as they transition to life after school in the coming months.

We have commenced our Year Group Masses this term, with our Year 11 and Year 7 students already celebrating the Eucharist together. I would like to thank **Fr Kimi Vunivesilevu** MSC for celebrating our Masses with us, **Ms Cheryl Hamill** for her preparation, College Mission Captain **Ella Harries** for her considered reflections, and all of the students who volunteered as readers or for other roles during the Masses.

If your child tests positive to Covid-19

You must notify the College if your child is diagnosed with Covid-19. This allows the College to track if there is an increase in Covid-19 transmission at school and manage any high-risk exposures for our more vulnerable school community members. Notifying the College will continue by completing the Covid-19 Declaration Form on Daranet. As with other infectious diseases, students with Covid-19 symptoms (including runny nose, sore throat, cough, fever) should get tested and must not attend school while they are unwell. The College strongly recommends parents and carers keep their child home for five days if they have Covid-19.

College Hours of Supervision

With school activities now running at full capacity and the lighter evenings approaching, this is a timely reminder to parents and students regarding what supervision is provided before and after normal school hours for the safety of students.

- Active staff supervision is from 8:25am to 3:40pm onsite each day.
- Supervision is provided at organised school events such as rehearsals, trainings or excursions.
- The Uhr Information Centre is supervised from 8:15am to 4:45pm Monday to Thursday and 8:15am to 4:30pm on Fridays.
- Supervision is provided in the Sports Centre during the Winter sports season from 3:30pm to 6:00pm Monday to Thursday where there is a First Aid qualified member of staff available.
- Reception is staffed from 8.30am to 4.30pm each day, after this time there is no active supervision of the pick-up area at the front of the College.

The College does not provide supervision and is not responsible for students who are onsite outside of our active supervision roster and who are not participating in an organised school event. In this circumstance students are onsite at their own risk.

We encourage our students to always be responsible and vigilant to ensure safety onsite and around the College grounds. When travelling to and from school, students are asked to travel in groups where possible, notify their parents of their travel paths, maintain awareness of surroundings and report concerns promptly to the College. We do not recommend students being at Dickson before or after school for prolonged periods of time.

2024 Subject Information Sessions

Information has been communicated home by the Assistant Principals Curriculum, **Mr Steven Carroll** and **Mr Ben Stein**, in relation to the format of the Subject Information presentations, when they will be available for viewing, and their location on Daranet and the College website. I encourage students to take advantage of the lunch time sessions in McCowage Hall, at which they will be able to obtain subject-specific advice from the Subject Coordinators, as this will help them when making their elective choices.

Moderation Day

Families are reminded that the second Moderation Day for the year will be held on **Thursday 17 August**. This means that no students attend school on that day as our Teachers will be engaged in the moderation of student work from across all ACT Colleges.

Leave Approval

A reminder that students who are away for 5 days or more for planned leave (known in advance) need to seek approval for their leave from the Principal by emailing principal@daramalan.act.edu.au

Scholarship Applications

Application forms for families seeking to apply for a scholarship for the 2024 school year are now available on the College website. They are located under [Enrolments/Scholarships](#). We have a limited number of scholarships available through the College's Scholarship Fund. All applications are assessed taking into account the financial circumstances of the student's family and they are treated in the strictest confidence. Applications close on **Monday 11 September 2023** and can be emailed to principal@daramalan.act.edu.au or delivered in hard copy to the College Reception. They should be addressed to the Principal who manages the process on behalf of the College Board.

Enrolments

We continue to have a large number of families on our wait list to secure a place at the College for their student. If families know that their student/s will not be returning in 2024, we ask that you please notify the Registrar, **Ms Damaris Brown**, as soon as possible.

Financial Assistance

Families who are experiencing changed financial circumstances are encouraged to contact the College Business Manager, **Mr Hugh Boulter**, to make an appointment to discuss support that may be available to you. He can be contacted via email on hugh.boulter@daramalan.act.edu.au.

P&F

The Term 3 meeting of the P&F will be held as per the College calendar on **Wednesday 9 August** onsite at the College. All parents are welcome to attend and should register their interest in attending by emailing pandf@daramalan.act.edu.au by 5pm Tuesday 8 August. This email can also be used should you wish to contact the Committee with any matter.

SCHOOL FEES

School Fees are now overdue.

Please arrange payment no later than **Friday 11 August** to avoid a late fee.

2023 NAPLAN Results

This week during PT time, students in Year 7 and Year 9 received their results from the National Assessment Program – Literacy and Numeracy (NAPLAN) which they completed in March. Upon distribution of these results, a key focus of discussion was around the promotion of the growth narrative Daramalan has initiated with every student. Every child can succeed if we measure success as improvement.

As discussed in the letter to all Year 7 and Year 9 parents and carers, it is important to remember that NAPLAN results are just one measure of academic performance on that day of testing. While they provide valuable insights into their literacy and numeracy skills, they do not define the entirety of your student's abilities, intelligence or potential. We use a range of other assessments throughout the year to identify areas where our students need additional support and to celebrate their achievements.

When reviewing your child's NAPLAN results, we ask parents and carers to focus on the growth and progress over time that their child has displayed and not about their comparison to others. Improvement and advancement are crucial indicators of their commitment and dedication to their studies. As educators, we are dedicated to helping every student reach their full potential, and we acknowledge that progress and development occur at different rates for everyone.

If you have any questions or concerns about your child's NAPLAN results or their overall progress, please do not hesitate in contacting the College. Together, we can be committed in our vision to ensure we are a community that inspires learning, nurtures potential and is strong in faith.

Year 12 Reflection

Building Progress

Issoudun Wing Performing Arts Centre progress update

I am excited to report that construction is coming along well now that we are less affected by wet weather, and we hope to have the Performing Arts Centre ready for the start of Term 1, 2024. To refresh everyone's memory about the key features of the Issoudun Wing it has a mid-size auditorium, a band rehearsal room, greenroom and changerooms, 4 specialist teaching classrooms, 12 music tuition rooms, a staff room and a 2-story atrium foyer with a kitchenette and multi-use box office, which has a total floor area 1,500 square metres.

I am pleased to say that all structural concrete slabs have been poured (apart from landscaping) and structural steel has been fixed to the building which now helps to give us a really good idea of what to expect with the size

and shape of the building. The external brickwork and internal walling frames are complete up to level 1 and the ground floor windows will soon be fitted. The roofing will commence in late August, which will then allow the external brickwork to continue and the internal framing to follow. Once the roof is on the builders will commence the internal fixing and finishing trades will start!

Outside the building half the parking has had curbs and guttering poured and we are waiting to have tar laid which will occur in the next week.

I would like to remind parents that your donations to the Daramalan College Building Fund greatly assist us in continuing to provide first class facilities and opportunities for students. Any contribution of \$2.00 and over is tax deductible and can be made by contacting the College Accountant, Rachael Axford: Rachael.Axford@daramalan.act.edu.au.

Cindy Lucic and Ella Rogers (Year 9) pictured with Author, Lili Wilkinson.

Recently UC invited a select few Daramalan students to participate in their creative writing masterclass – UC Write. It was facilitated by a creative writing professor at the University, though the lectures throughout the day were run by published Australian Author **Lili Wilkinson**. Students spent the day participating in an extended guided writing exercise, allowing them to explore their creativity in a positive, nurturing and structured environment. It talked to things such as writers' block, allowing yourself time to grow your skills, and more. It gave high school students across Canberra a glimpse

Kathleen Dunkerley and Jennifer Noveski (Year 11) pictured with Author, Lili Wilkinson.

into what the UC Creative Writing course has to offer in a bite-sized portion that made the day digestible, accessible and engaging. The next session will be focused on comedic writing - it will be run in November, by **Barry Jonsberg**, author of *The Whole Business with Kiffo and the Pitbull*. UC Write is a great opportunity to expand your skills, and the students who attended would greatly recommend the experience.

Daramalan College Writers Club

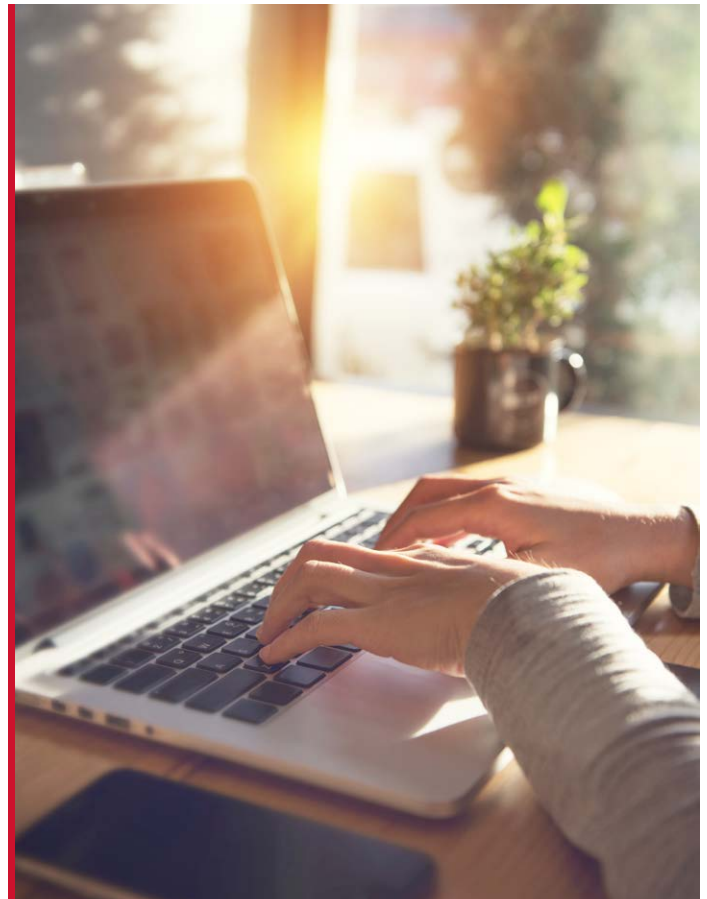

Seeking expressions of interest to join a Magazine Committee for a new student magazine run by students for students. There are a variety of skills/tasks needed.

Students from Years 7-12 are invited to apply to be on the inaugural editorial committee for a new student magazine to be launched in 2024. It will be an exciting new venture and students who may be interested are welcome to apply.

The committee will meet in D3 at lunchtime on **Friday 18 August** in Week 5 for the first time, and fortnightly lunchtime meetings after that.

If you are keen to find out more, email **Ms Suzanne Kiraly** (suzanne.kiraly@daramalan.act.edu.au) and let her know you are interested.

Being a member of a Magazine Committee would look good on any CV and could prepare you for future ventures that may involve publishing or committee work. Artists, writers, hobby enthusiasts, networkers, sporting stars, gossip columnists and information gatherers are all welcome to come along. We will need to restrict the number of committee members to 12 to make it manageable, so don't delay if you are interested. Email Ms Kiraly today.

Religious Education

Year 8 Religious Education begins their World Religions unit this semester, starting with Indigenous Spirituality. We have a wonderful resource in the Uhr Information Centre that contains Boomerangs and a Bull Roarer.

The class was given instructions on how to use the Bull Roarer, most said it sounded like a car, but they had to work out the Boomerang for themselves. Even with a bit of wind in the afternoon some got close to having it return and some didn't with everyone agreeing it was an enjoyable way to start the unit.

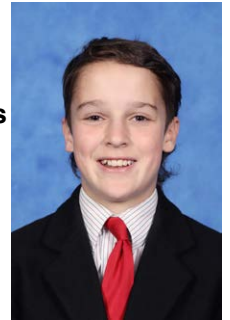

Daramalan Theatre Company

This is the third year I have been to the Daramalan Theatre Company's intensive rehearsals camp at Burrill Pines and the camp manages to get better and better each year. After we arrived at Burrill Pines, we began a variety of Drama activities. This gave us the opportunity to bond as a cast and start to develop our roles within "The Gift of Story". During this camp we began to explore and understand our characters. We were fortunate to have the expertise of **Pip Carroll**, current WAPPA Acting student and an ex-Daramalan student, who attended the camp and helped us with our characterisation. This was a valuable experience as it created a base for designing and developing how we will deliver our roles within the production. For me the best part of the camp was the free time that was allocated, giving us the opportunity to play games such as the balloon game (I won every time), and to continue to bond with each of the cast members.

I was also lucky enough to be a part of the Come Alive camp, following the Junior production camp. This camp, although shorter than the first was just as important. During the three days we learnt about the Come Alive experience, what we needed to achieve and how we were to achieve it. Come Alive is an extracurricular Drama program open to students in Years 10, 11 and 12, challenging us to create a dramatic piece based on a researched artefact found at the National Museum or National Art Gallery.

I always love the time spent at Burrill Pines and the memories created. I'm really grateful for the time and effort that **Ms Lucy Cronan, Mr Joe Woodward, Ms Annette Brady, Mr Steven Carroll, Ms Cheryl Hamill and Pip Carroll** put in, giving us the opportunity to experience these memorable Drama camps.

Harrison Labouchardiere (Year 10)

Daramalan Dance Company

A Decade of the Daramalan Dance Company!

AND JUST LIKE THAT... 10 years have gone by in the blink of an eye!

In 2014 Dance teachers **Louise Chapman** and **Lucy Cronan** were very excited to launch our inaugural co-curricular Junior Dance Troupe (as it was known then). Forty students performed in our first production, which was inspired by the cultural dances we teach in the Year 8 Dance unit, and we choreographed a spectacular Chinese inspired production Good Luck Good Fortune.

This dance was a tribute to Chinese folklore stories and we incorporated the many skills and talents of the dancers, as we have done every year since. Initially we performed at the Ausdance Youth Dance Fest, but for the last 3 years we have moved over to Wakakirri which has been very rewarding. Last year we received a prestigious Excellence in Performing Arts Award as well as many others for our show I Got Rhythm! We look back on the last decade with great pride at what we have been able to bring to the stage and the enrichment that this has provided to so many students. In 2023 for the first time we are featuring roller skaters on stage, in our nostalgic tribute to the 1980 film Xanadu! **Ms Chapman** and **Mrs Cronan** would like to dedicate this show to the hundreds of Dara dancers who have rehearsed with us over the last decade; we hope that they treasure the backstage memories and the magic of dance as much as we do.

Basketball

Team of the Month

The U16 D3 Black Girls team has had a remarkable start to Term 3 winning all their games. They had the local derby against our D3 White Girls team held at Daramalan College. The Black team had a solid win despite a fantastic effort from our White team. They then went on to comprehensively beat Tuggeranong Southern Cross and Tuggeranong Vikings by large margins, leaving the team sitting pretty in second position on the ladder. Massive shout outs to **Lola White** (Year 8) who is currently leading the league in points per game and to **Lily Harriden** (Year 8) who has had a huge last two weeks scoring 23

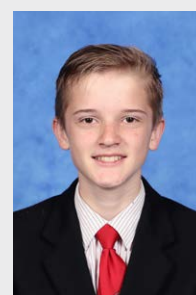

points and 16 points respectively. This team is brilliantly coached by **Sarah Barnes** who always goes above and beyond for her teams and for Daramalan Basketball. Congratulations girls on a fantastic last month and an outstanding season. Best of luck in the Finals!

Player of the Month

David Thurgar (Year 10) from our U19 D6 Boys team has had not only a fantastic month but a fantastic season. David is averaging 12.5 points for the season and 15.3 points per game over the last month. He is currently coming second in the league's top scorers and is a massive reason why his team is currently sitting in tied second place on the ladder. David is also a BACT Referee, and you will see him at the courts every weekend

officiating many of the games our students are playing in. David also coaches one of our junior teams, the U16 D5 Boys who are also sitting in the top four. David is currently in his second season of Basketball and has improved significantly. Keep up the amazing work David and best of luck for the rest of the season.

Last Weekend's Results

Hockey

As we enter the last five rounds of competition before Finals, it is wonderful to see the progression that our teams and their players have made over the last few months. Incredibly, 18.2 Boys team remains unbeaten this season, and congratulations to the 18.2 Girls who claimed their first victory last weekend! The 15.1 Boys and 15.2 Girls continue to demonstrate great determination and development.

Our Hockey Presentation Night will be held on **Wednesday 13 September** at 5.30pm in McCowage Hall. This will be a fantastic opportunity to acknowledge and celebrate the achievements of our teams this season. Add this event to your calendar – there will be more information to come.

ACT Under 13's Hockey

In an enthralling display of Hockey prowess, ACT defied all odds to claim the gold medal in their division. Starting second from the bottom of the ladder, they faced an uphill battle, but their determination was unwavering.

On the final day, they faced their toughest challenges - first, the undefeated top team. Undeterred, ACT delivered a brilliant performance, securing a 2-0 victory that shattered their opponent's winning streak. Next, they took on the second placed team, where Elizabeth's playmaking skills came to the fore, setting up 3 of the 5 goals scored. Congratulations to **Elizabeth Duke** of Year 7 Lawson!

Netball

Unbelievably, we are fast approaching the end of the season! Round 14 is the last round robin game (**Saturday 19 August**) before we begin Semi-Finals and Finals on **Saturday 26 August** and **Saturday 9 September** respectively.

We will be having our Netball presentation night on **Tuesday 12 September** at 5.00pm in McCowage Hall,

followed by a barbeque before the Rugby presentation starting at 7pm.

We currently have a number of teams looking promising to make it to the Semi-Finals. If you are looking for something to do over the next few Saturdays and want to support our girls, come and watch them play at the times and locations listed. Individual court allocations can be found on PlayHQ, however our girls are easy to spot in their red and black!

Rugby

During the holidays many of our Daramalan Rugby players represented the ACT, Northern Territory, Brumbies Country and Brumbies Academy.

The Southern States Festival of Rugby was held over the second week of the holidays and apart from some very frigid mornings (much to the NT players shock), the standard of Rugby was a real highlight.

Our Under 13's Daramalan team saw six of our newest Eagles represent the ACT in the Under 12's and 13's competitions: **Tommy Roso, Maanaima Segal, Lachlan (Curly) Wyeth, Hayden Armstrong, Ryley Power and Luke Cullen.**

In the ACT Under 14's we had a representation of 11 players: **Max Lundy, Cooper Leslie, Jacob Richardson, Jack Brown, Tom Connolly, Sam Rinaudo, Angus Davidson, Thomas Kelly, Levi Aitolu, Eroni Camaivuna and Charlie Ravouvou.**

The 14's Girls team were made up of **Ema-Luisa Finau, Mila Capello, Lilly Pickering, Zoe Buckman, Evelyn Walker, Serena Walker, Evelina Tuipeatau, Leila Innes and Majella Firth.**

11 of the ACT squad in the Under 15's were from our Daramalan program: **Jamal Ud-Din-Nazir, William Scarlett, Nick O'Brien, PJ Woods, Rhys Chapman, Aidan Wunsch, Ethan Armstrong, Tyla Hope, Mitch McGrory, Luke Grocott and Blake Deery.**

Our 16's Girls also had 11 representatives, seven in the ACT team and three in the Northern Territory squad: **Brianna Patmore, Daisey Goodwin, Jasmine Reid, Makenna Ravouvou, Frankie Cappello, Olivia Sharp, Fetu'u Kiriui (Northern Territory), Devina Lotefia, Rose Weeks and Ava Jordan.**

The Under 16 Boys had strong competition playing in the Under 18's division: **Lyric Lealiifano, Nate Pftizner, Moses Kaufusi, Dempsey Woolf and Ryder Leuluai.**

Annabelle Mickelson was a standout in the Girls Under 18's.

We also had **Brodie Preston** represent the Brumbies

Rugby Cont...

Country Under 18's in the Southern States.

Along with plenty of players, the Daramalan Rugby Club also had a representation in the coaching and managing roles during the carnival: **Matt Power, Shane Leslie, Nick Hutchison and Mr Andrew Withers.**

The Southern States Rugby competition also offered our senior touring Rugby players a chance to work the Canteen and make some much-needed funds in support of the European Tour coming up in late September. A massive thank you to all those who came out and helped during the day.

Outside of the Southern States, we had the ACT Schoolboys, Brumbies Academy and ACT Schoolgirls compete. The ACT Schoolboys and Schoolgirls travelled to Sydney to play in the Australian Schools Rugby Championship. **Brianna Patmore and Makenna Ravouvou** represented our girls, with **Henry Laidler, Brodie Preston, Murray Chan-Tung, Jeziah Segal and Oliver Fox** all making the Under 18's.

Toby Perrin, Grady Wooley and Pat Edwards travelled to Melbourne to play the Rebels and then defeated the Force at St Edmunds College.

With all this going on, the Daramalan Rugby Club just want to take the time to thank the families for all the sacrifices they make to support their students in their Rugby endeavors.

Waterpolo

Hunter Harrison, Joshua O'Keeffe, Jordan Collins (Year 8) and **Liam Osborn** (Year 9) were all selected for the U16s ACT Waterpolo squad and competed in the East Coast Challenge in Melbourne in July.

Snow Sports

Recently our Daramalan Snowsports team represented the College in the annual ACT/NSW Interschools event held in Perisher. With over 30 participating students and 44 race entries, Daramalan was on full display. We also witnessed for the first time in a while, students from our school embarking on an unforgettable one-week snow trip to the Snowy Mountains within the picturesque Kosciusko National Park. Alongside the beautiful snow and fun bus rides, the highlight of the trip for me was participating in the highly anticipated Interschools Ski and Snowboard competitions, where our team proudly represented the school showcasing our snow sports skills and sportsmanship. This unique program fostered new friendships and camaraderie among us whilst at the same time created long lasting memories and allowed us to develop skills in teamwork, resilience, and leadership. Thank you to the Coordinators **Mr Dean Parkes**, **Mr Brendan Collis** and **Ms Sophie Peacock** as well as the numerous parents who helped support this event.

Az Pekarsky (Year 11)

AFL

Last week, between the Saturday 22 July and Saturday 29 July, multiple Daramalan students participated in the U15 AFL National Championship in Ballarat. It was a great experience for all. The Boys team came 8th, and the Girls team came 6th. The standard of football was high, and exciting to watch.

KIRRA SERVICES KICK OFF CYBER CAREER STARTER PROGRAM

July 19, 2023

July saw Kirra Services quietly launch their grassroots Cyber Career Starter Program, with much anticipated success.

The pathway program developed by Kirra Services aims to address the shortage of cybersecurity specialists in Australia by facilitating increased participation of Indigenous and regional individuals in the ICT and cybersecurity industry.

Boasting partnerships with both (ISC)2 and Cisco Networking Academy, the program is backed up with tailored learning support services, mentoring, optional vendor training and an Intern program, designed to build practical skills within the workplace.

The program specifically targets regional areas and emphasizes the inclusion of Indigenous participants, women, and neuro-diverse individuals. However, it is open to all Australians interested in pursuing a career in cybersecurity. By offering remote training courses, the program enables participants from all over regional Australia to access the training and mentoring provided by industry professionals.

Ultimately, the mission of Kirra Services is to establish strong business and community partnerships that create more opportunities for Indigenous participation in the ICT industry. By providing practical training, career coaching, mentoring, and internship programs, the program aims to empower Indigenous and regional individuals to pursue successful careers in cybersecurity and contribute to the growth of the industry in Australia.

If you want to be part of the next generation of cybersecurity professionals don't hesitate to contact Kirra Services at: cyber@kiraservices.com.au

CYBER CAREER STARTER PROGRAM

In recent years, there has been a growing recognition of the need to break down traditional education barriers that have long hindered students from achieving their full potential. This is particularly true in rural areas and within Indigenous communities. Kirra Services **Cyber Career Starter Program** seeks to provide students with a more personalised and flexible learning experience, tailored to each individual's needs and learning styles.

This unique program consists of industry recognised certifications, delivered via weekly virtual classroom or at participants own pace. To complement this, Kirra Services are committed to providing learning support and mentoring to ensure all participants can achieve their individual learning goals. We aim to achieve this through the use of innovative technologies such as virtual classrooms, labs, and interactive simulations, supported by tutoring and mentoring systems this allows our students to engage with course material in a truly interactive and immersive way.

At Kirra Services, we understand the need for community and the importance of the connections it brings. Part of our aim is to ensure that the needs of community members are kept first in mind. When designing and facilitating individual programs, we aim to deliver learning outcomes that complement these needs. We are committed to working with every individual that takes up our program to ensure that they achieve the best possible outcomes for both themselves and their communities.

Kirra Services has a network of committed industry partners, who are willing to provide on the job training, through intern programs and hands on experience. This ensures that our graduates have a wide variety of skills to help them succeed in the workforce with confidence.

THE 24-WEEK PROGRAM INCLUDES:

- Workplace skills training
- ICT Security and Networking Fundamentals – Cybersecurity
- Learning support and mentoring from industry experts
- Career coaching & professional development, including recruitment services
- 8 Week intern program- with leading industry professionals
- Ongoing access to industry & Vendor training

COST: \$2200

COMMUNITY BUSINESS DIRECTORY CONT...

The Daramalan College Community Business Directory was established in 2015 to provide an opportunity for our community to support local businesses associated with the College and to raise funds for the Scholarship Fund through advertising subscriptions.

Since 2015 the Directory has raised **\$27417** for the Scholarship Fund through annual advertising subscriptions. A fantastic effort!

Looking back at the support provided over that time, many businesses have been involved and we are extremely grateful to each and every one of them. I would, however, like to mention just a few. The following businesses have been advertising on our Community Business Directory since it began

in 2015 and continue to show their support for this initiative today. If you have an opportunity to show your support to these businesses, please do!

Thank you to everyone who has either advertised with us, or supported the businesses involved. You can see the full list of advertisers and find more information [here](#).

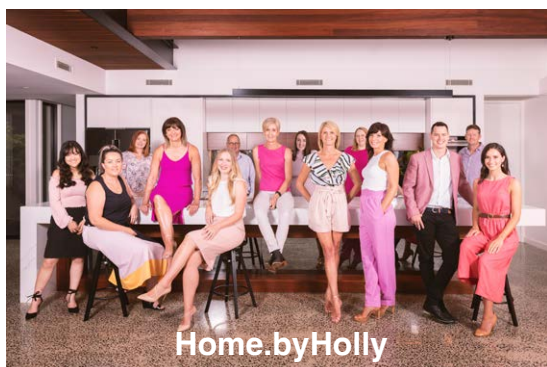

If you are in business and would like to be involved, please be in touch!
