Yrs 7-9 Mass & Awards
End of Term 4

16 December 10:00 am – 3:00 pm
Collection of ACT Senior Secondary Certificates and Tertiary Entrance Statements

18 December
Office closed

From the Principal

Dear Parents/ Carers, Staff and Students,

Welcome to the final edition of Daranews for 2026! I can hardly believe that we are already at the end of another year. As we make our way through the final weeks of the school year, I have been reflecting on the year that has past and how quickly it has slipped away! At our opening assembly for the year in February, I posed the challenge to our students, to follow the path that is in their own heart to enable them to be the best person, friend, class and team mate that they can be. Over the course of the year, as I have walked around the quads, stood on the sidelines of many sporting fields and courts, sat in the audience of showcases and productions, I have observed countless examples where so many of our students have met and exceeded my challenge. At our final assembly for the year, I asked the students to take a moment to think on their year. Had they been the best version of themselves? Have they opened their hearts to the light of forgiveness? The recent overwhelming number of donations to the Christmas Appeal, the lunchtime clubs and competitions filled with friendly rivalry and laughter, through to the House Spirit on display in the generous support of our eight House Charities would tell me that the vast majority of our students could answer yes to my questions. The opportunities to be involved have grown and thrived again this year. The number of students who have immersed themselves, alongside their peers and our staff, in the wide range of co-curricular activities and clubs, in addition to the lunchtime activities and events has been amazing. In addition to each of these, our students were also able to experience the rich learning opportunities that come through overseas, interstate and local tours, excursions and immersions. To this end, I would like to thank and

From the Principal

acknowledge all the staff who have volunteered their time, often long after the school day has ended, to provide these opportunities for our students. 2026 has certainly been a whirlwind of activity and has disappeared in the blink of an eye. I am sure that many of our staff, students and families are looking forward to a well-earned break over Summer and time spent with family and friends.

Year 7 Retreat Days

During Week 15, our Year 7 students from O'Brien, Goolagong, Lawson and Phillip Houses participated in their Retreat Days which were facilitated by our Year 10 Youth Ministry students. The Retreats were focused on "Being MSC". The program drew upon the Missionaries of the Sacred Heart (MSC) charism of "Heart Spirituality" and its ethos and values. Through the activities on the day, the students had the opportunity to consider how they might live out this ethos in their own life and as members of the Daramalan community. I would like to thank **Ms Amy Thomas** and **Ms Maria Tolfree** for their organisation and oversight to bring this rich opportunity to fruition for our students. I would also like to acknowledge our Year 10 students for their facilitation of the days along with the Pastoral Care Advisors and the Year 7 Pastoral Tutors for their work with the students on the two days.

Senior Examinations and AST Familiarisation

I would like to commend our Year 11 and 12 students for the manner in which they approached and undertook their recent end of semester examinations. I would also like to acknowledge the work of **Mr Ben Stein** and **Ms Heike Craig** to enable the examinations to occur seamlessly. Following the formal examinations, our Year 11 students participated in AST (ACT Scaling Test) familiarisation sessions. The AST is the only external examination sat by our senior students and takes place in Term 3 of Year 12 for those students studying a T package and who are seeking university entrance.

Year 10 Senior Studies Preparation

This week our Year 10 students have completed a number of activities in preparation for their Senior Secondary Studies. Those students who are intending to study a T package next year completed AST familiarisation sessions, whilst our Year 10 students who will be studying a non-tertiary pathway, or Accredited package, in their senior years, attended sessions specifically aligned with this pathway option. I would like to extend my thanks to **Ms Heike Craig, Ms Annette Brady** and **Mr Nic Whatman** for their work in facilitating these important sessions for our Year 10 students.

End of Year

I am delighted that we are able to welcome our extended families to our end of year events. I would, however, like to take this opportunity to remind those families looking to attend our ceremonies that parking at the College is extremely limited, especially for those events held during school hours. Staff will be available on these mornings to direct parking through the Wasson Gates which are located off Cowper Street between the Sharpe and Issoudun buildings.

Tomorrow evening our Year 12 students and their parents will be gathering at the National Convention Centre to share a meal and hospitality for their Graduation Dinner. I would like to acknowledge **Ms Yvonne Turnbull** for her work behind the scenes in organising an event of this size. Our Year 12 students and their families will come together for the final time next Wednesday evening to celebrate the past six years of secondary schooling with their Year 12 Graduation Mass and Awards Ceremony here at the College. My thanks are extended to all the staff who have been involved in the preparations and organisation of these wonderful celebrations.

Today is the final day of classes for our Year 10 students for this year. We will gather on Monday morning to celebrate Mass and recognise the achievements of the students at the Year 10 Awards Ceremony. It will be followed by a social function here for students at the College in the evening.

Our Years 7-9 Mass and Awards Ceremony will be held on the final day of the school year, **Wednesday 9 December**. This is such a wonderful way to celebrate the end of the

Technology and Design Exhibiton

Technology and Design Exhibiton

Cuthbert winning The 2026 House Cup

From the Principal

school year as a community. The previous day, **Tuesday 8 December**, our Years 7-9 students will be participating in community activities at Dickson Pool. Further information about the specific format of both of these days will be disseminated in the coming days.

A number of special awards will be presented at each of the ceremonies for academic, co-curricular and community achievements and I would like to congratulate all of the recipients of these awards. The list of award recipients will be published in the 2026 Yearbook.

I would like to take this opportunity to congratulate each and every one of our students on what they have achieved this year. As I mentioned to students when we met for the final time as a whole school earlier this term, I continue to be amazed and delighted by the number of students who have immersed themselves in the wide-range of co-curricular activities and clubs, in addition to the lunchtime activities and events that are offered here at the College. I feel like we need a bigger calendar to fit in all of the events, activities and opportunities that have been made possible throughout this year. I know that there have been days where I wasn't able to get to all of the events and activities as there were so many things happening! In addition to these activities are the wonderful opportunities that have been available to our students both inside and out of the classroom enabling rich learning to occur. These rich experiences are continuing to take place even though the school year is coming to an end. Our 2027 Student Leadership team travelled to Chevalier College and St Mary's Towers, Douglas Park earlier this week. They spent time with the 2027 Chevalier student leaders and also with the MSC Priests and Brothers who call Douglas Park their home. On Monday of this week a large number of students also travelled to Chevalier College and the Southern Highlands for friendly games in Cricket, Netball, Basketball and Water Polo, further developing and enhancing the connection between our two schools.

Whilst later in December, our senior Basketball squads will be travelling to the USA for their bi-annual tour. I would like to thank **Mr John Gale** for his organisation and planning of the tour, and **Mr Marty Capon, Mr Shaun Warren** and **Ms Heather Chapman** who will be accompanying our students alongside Mr Gale and coach, **Dion Majstorovic**. We wish them safe travels and an amazing experience. Our Theatre Company students will be making their way to Burrill Pines at the beginning of the break for their intensive camp where they will commence rehearsals for the 2027 production of Macbeth. Our thanks are extended to **Mr Joe Woodward, Ms Maria Tolfree** and **Ms Jo Howard** who will be accompanying our students.

As a staff we will gather and celebrate 2026 with our Staff Advent Mass, celebrated for the final time by our Chaplain, **Fr Tru Nguyen MSC** and followed by a shared lunch, on **Friday 11 December**. The College Office will be closed on this day to enable all our staff to participate in this special day.

Many staff are involved in the planning and running of these events with much of their work occurring behind the scenes, so I thank each of them for their contributions. I would like to especially acknowledge **Ms Amy Thomas, Ms Angela Dunn, Mr Jason Paris, Mr Ben Stein, Ms Lucy Cronan, Mr Steve Carroll, Mr Nic Whatman**, the House Coordinators, Pastoral Care Advisors and Pastoral Tutors, and **Ms Sonja Tajmer, Ms Yvonne Turnbull, Ms Arina Yakovtseva, Ms Heather Chapman**, the student tech team, and **the College Maintenance Team** for their tireless work behind the scenes. I would also like to thank Fr Tru for celebrating each of our end of year Masses with us. We have been truly blessed to have had Fr Tru as our MSC Chaplain over the past three years, generously sharing his time at each of these liturgical celebrations. I am confident that Fr Tru will not be a stranger to our community into the future as **Br Hoa Tran MSC** moves into the Chaplain role full-time in 2027.

Year 12's Last Day

From the Principal

Holiday and End of Year Arrangements

Families are asked to please be aware of the following dates as the school year comes to a close:

- **Wednesday 9 December** - Years 7-9 students finish school at approximately 12.30pm after their Awards Ceremony.
- **Thursday 10 December** - Reception will close at 4.00pm.
- **Friday 11 December** - Reception will be closed all day.
- **Monday 14 December** - **Friday 18 December** - Reception hours are from 9.00am - 4.00pm.
- The College Reception will reopen on **Monday 18 January 2026** at 9.00am.

Teaching Staff and many Support Staff finish work for the year at 12noon **Friday 11 December** so emails and phone calls after this date may not receive a response until school resumes for 2027. Full-time staff return to work on **Wednesday 27 January 2027**.

Term Dates for 2027

Families are reminded that **Year 7** and **new students (Years 8-12)** return to school on Monday 1 February. All students, including **Year 11 students,** return to school on **Tuesday 2 February.**

The Term dates for 2027 are:

Term 1
Monday 1 February- First Day for Year 7 and new students
Tuesday 2 February- All students return
Friday 9 April - Last day of term

Term 2
Wednesday 28 April- Friday 25 June
Tuesday 27 April is a pupil free day for all students

Term 3
Tuesday 20 July – Friday 24 September
Year 12 students will return **Monday 19 July** to attend their Reflection/Retreat camp at Stanwell Tops
Monday 19 July is a pupil free day for Years 7-11 students

Term 4
Monday 11 October- Wednesday 8 December
Please note there is no pupil free day at the commencement of Term 4.

Return of Books

We ask all students to ensure that textbooks and Information Centre resources are returned by **Tuesday 8 December**, please. It is important that books are returned so that they can be processed and organised for the start of 2027. Thank you for your assistance with this.

All students should ensure their locker is cleared before **Tuesday 8 December** with only limited items being required for the events and activities held on the following day.

Semester 2 Academic Reports

Families will be able to access and download their student's Semester 2 Academic Report through Daranet from **Monday 14 December.**

Families who are departing the College at the end of 2026 are reminded to download copies of their student's Academic Reports from Daranet prior to **Wednesday 23 December** as access to the platform will not be available after this date.

2026 Yearbook

The 2026 Yearbook will be distributed to students in Years 7-9 on **Wednesday 9 December**.

Students in Year 12 will be given the Yearbook on **Wednesday 16 December** from 10.00am - 3.00pm when they come to the College to collect their Senior Secondary Certificate, Tertiary Entrance Statements and Vocational Certificates, as long as all textbooks and other resources they have out on loan have been returned.

Students in Years 10 and 11 may collect their Yearbooks from Reception on **Wednesday 9 December** from 12noon until 4.00pm or when the Year 12 Senior Secondary Certificates are being issued on **Wednesday 16 December** from 10.00am – 3.00pm.

Yearbooks will also be available in PT classes at the start of 2027 for returning students.

Please note: It is essential that students have returned all textbooks, library books and other school resources before they are issued with a Yearbook.

Year 7 Retreat

Year 7 Retreat

From the Principal

2027 Enrolments

We have a number of families seeking places in each of our year groups for 2027 where there are currently no vacancies. If your child is currently in Years 7-11, and will not be returning to Daramalan next year, we ask that you let us know as soon as possible so we can assist other families. Please do this by notifying the Registrar, **Ms Kris Davis**, via the email enrolments@daramalan.act.edu.au

Second Hand Uniform Donations

As the 2026 school year draws to a close, I would urge any families with uniform items which are in good condition that no longer fit or if your child is finishing either Year 10 or Year 12, to please consider donating them to be recycled and sold as part of our second-hand uniform stock. We will continue to have a limited amount of second-hand uniform available for purchase as the College transitions to our new uniform range. Families should note that the new Uniform Shop located in Dickson **will not** have second hand uniform items for sale. Details as to how second-hand uniform items can be purchased will be provided in early 2027.

All proceeds from the sale of second-hand uniforms are donated to the College Scholarship Fund. Donating items not only helps families within our community who may be struggling financially but is also an excellent way to fulfil our mission of caring for creation and the environment by limiting the number of clothing items that end up in land fill. Donations can be dropped off at the College Reception at any time between now and the end of the school year once items are no longer required to be worn. We would just ask that items are clean and that only Daramalan academic and sports uniform items are donated. Details of the Second-Hand Uniform Sale held prior to the start of the 2027 school year will be disseminated closer to the time.

College Board

I would like to thank all the members of the College Board led by **Mr Michael Munro-Mobbs** and **Mr Nathan Spillane**, who give generously of their time and expertise and are very supportive of the College. I would also like to acknowledge the support and expertise of Directors in enabling our two refurbishment projects, the Ross window project and the current resurfacing of the College Ovals to take place. Their diligence and discernment in overseeing the College's Strategic Priorities which guide our work through the School Improvement Plan on a day-to-day basis has also been invaluable.

Parents and Friends

The final P&F meeting for 2026 was held on Wednesday 4 November. The P&F's continuation of their support of the Charity Walk enabled us to continue our support of charities, MacKillop House and the St Nick's St Vincent de Paul Young Carers' program which was much appreciated. I wish to thank **Mr Guy Dimmock** in his role as P&F President and also the other Committee members including **Mr Damien Kelly, Ms Georgie Ovin, Ms Felicity Toohey, Ms Natalie Pooley, Mr Nick Watson** and **Ms Kieren Yeo**. I would also like to acknowledge the parents and carers who volunteered their time this year. Your support is always invaluable. The AGM for the Parents and Friends will be held on **Wednesday 17 March 2027** at 6.30pm.

Student Achievements

As the year comes to a close, I am continually amazed and in awe of the achievements of our students.

Our congratulations are also extended to:

- Our senior rowers who are competing at the Head of the Yarra Regatta in Melbourne this weekend.
- The members of the VEX Robotics teams who will be travelling to Adelaide next weekend to compete at the National Robotics Championships.
- **Jessica Bolton** (Year 9), who achieved third place in the Year 9 Division of the ACT High School Japanese Speech contest earlier this month.
- **Maggie Ferndale, Rory McCall** (Year 8), **Eve Halliday, Eva McGregor** and **Xanthe Thomas** (Year 9) who won the Gold medal at the Middle School Ethics Olympiad held earlier this month. They have been invited to participate in the International Final online in February next year.
- **Jake Wallaert** (Year 10) who has been awarded a National Gallery of Australia Scholarship for 2027.
- **Aidan Wunsch** (Year 12) who has been selected as a member of the Australian U18s Rugby 7s Squad to play New Zealand in Auckland in mid-December. Aidan is the only ACT player to be selected as a member of the squad.
- **Lachlan Neighbour, Eden Lees** and **Charlotte Power** (Year 9) who have each been selected as members of the Australian Rugby 7s Development Squads to tour NZ.
- **Georgie Miller** (Year 7) who will be competing on the Gold Coast later this month in the National Cheer Leading Championships.
- **Violet Smith** (Year 10) who has been competing as a member of the ACT Squad at the League Tag championships.
- **Isabella McAskill, Emma Duke, Matilda Taylor** (Year 8) and **Lorelle Reichman** (Year 9) on their selection as members of the ACT squad to compete at the KMSB Youth International Gryphon Cup hockey tournament in Perth this week. **Elizabeth Duke** (Year 10) has been selected as an umpire for the tournament.
- **Kwame Antwi-Tuffour** (Year 7) and **William O'Rourke** (Year 8) who will be competing at the National Athletics Competition.

Congratulations also to the Daramalan Theatre Company who have received six Canberra Area Theatre (CAT) Award nominations for their production of Rhinoceros earlier this year:

- Best Lighting Design for a School or Youth Production **Joe Woodward** and **Jackson Wight**
- Best Ensemble in a School or Youth Play **The Cast,** Rhinoceros
- Best Youth Actor in a Leading Role in a Play **Archie Edwards** as Berenger, **Kiran Isbister** as Jean
- Best Youth Actress in a Leading Role in a Play, **Evie Nicholls** as Daisy
- Best Original Work for a School or Youth Production, **Lily Clark** and **Ruby Jeremenko**, Original music, Rhinoceros

Staff Changes

At the end of this year, we will be farewelling a number of staff, both long-term members of our community and those who have been with us for a short period time. I would like to thank each of these staff for the contributions they have made to our College.

Retiring at the end of 2026 is **Mr Scott McQuiggin** after

41 years as a teacher of Visual Media and Photography at the College. During his tenure at the College, Scott has inspired, supported and harnessed the talents of countless students and staff across the visual arts. His generosity of time and commitment has extended to significant whole-school liturgical events and assemblies which would have not run so smoothly without Scott's technical expertise and guiding hand behind the scenes over many years. We wish Scott all the best and we hope that the next phase of his life journey is a wonderful adventure. Also retiring at the end of 2026 is **Ms Jane Waddleton** after over 20 years of service to our community. During this time, Jane has been a champion of vocational education and alternate pathways at the College. Her oversight has enabled countless students to achieve vocational qualifications at a school level and also undertake school-based apprenticeships prior to entering the workforce. We extend our thanks to Jane for 20 years of service and contribution to our community and wish her a wonderful retirement. Following her leave in the second half of 2026, **Ms Anne Brown** will be retiring at the end of this year. Anne joined our College as a teacher of English in 2006 and during her over 20 years as part of our community has held leadership roles in pastoral care and curriculum, as both a Pastoral Care Advisor and as the Coordinator of English. We wish Anne all the best for her much-deserved retirement and all that it holds. The fourth member of staff who has made the decision to retire at the end of 2026 is **Ms Jacintha Francis**. Jacintha has been an integral member of the College's English department for the past 15 years and has provided inspiration and genuine care for her students during this time. Beyond the classroom, our community has been the benefactors of Jacintha's generosity, skills of discernment, vision and expertise as we shaped and navigated our path forward as a College to support reconciliation, and with this, our First Nations students. On behalf of our community, we extend our best wishes to Jacintha for the next phase of her life journey.

Mr Callum Brown will be departing Daramalan at the end of this year to take up a promotion position at Merici College. We extend our thanks to Callum for his flexibility and his willingness to take on new roles since he commenced at the College in 2022, including taking on the role of Cricket Convenor. We wish Callum much success in his new role. **Ms Erin Gustus** will be relocating to Sydney with her family at the end of 2026. We wish Erin and her family all the best for the move and sincerely thank her for her generous contributions to our community, and in particular, to the Health and PE department and our Hockey program.
Also departing at the end of 2026 are **Ms Tarni Magyar, Ms Kasey Saunderson, Ms Sophie Coutts** and **Ms Manar Arabani**. We thank Tarni, Kasey, Sophie and Manar for their contributions to our community over the time that they have been with us. We wish them much success for the future. Also concluding her time at the College at the end of this year is our Youth Minister **Ms Andrea Rose Thomas**. We extend our thanks to Andrea for her contributions to the spiritual and liturgical life of the College over the past two years. We wish her much success in her future pathway and studies. We also farewell **Fr Tru Nguyen MSC** as our College Chaplain. We extend our sincere thanks to Fr Tru for all that he has brought to our community as our Chaplain over the past three years. Fr Tru will remain in Canberra as Parish Priest of Our Lady of the Sacred Heart, West Belconnen, so I am sure that he will not be a stranger to the College.

On leave for Term 1 2027 are **Mr Steven Carroll** and **Mr Angus Balmaks**. **Ms Megan Kelly** will return from her leave in 2026 to replace Mr Carroll as Assistant Principal Operations for the term, whilst **Mr Stuart Dix** will move into the Sport Coordinator role for the beginning of 2027. **Ms Lucy Beponis** will be on leave for the entirety of 2027.

As the year comes to a close, I would like to finish by thanking all of our families for your support again this year. To those who are leaving Daramalan, may you take with you many good memories of your time with us. My hope is that you continue to be people of heart wherever you may be. I look forward to welcoming our Year 7 and new students on **Monday 1 February** and the remainder of the College on **Tuesday 2 February** as we begin our Year of Justice.

My best wishes for a blessed Christmas and a peaceful and relaxing holiday filled with opportunities to spend time with family and friends. I hope to see many of our families at our end of year events including our Carols Evening on **Monday 7 December** at 6pm in the Issoudun Performing Arts Centre.

Rachel Davies
Principal

SCHOOL FEES

The 2026 End-of-Year School Fee Statements were emailed to parents on Monday, 23 November 2026.

Payment of 2026 school fees is due by Friday, 4 December 2026, unless you have an agreed payment plan in place with the College.

Please be aware of the College's terms and conditions regarding overdue fee payments:

- An administration fee of **$15.00 (including GST)** will be charged to any family account that remains unpaid after the due date.
- A further **$15.00 administration fee will be charged each fortnight** until the outstanding balance is paid in full.
- These administration fees will not apply to families who have an agreed payment plan in place with the College and are meeting their scheduled direct debit payments.
- The administration fee helps cover the additional costs incurred by the College in managing overdue accounts.
- If a parent defaults on fee payments, they may also be liable for associated recovery costs, including legal and debt collection fees.

For full details, please refer to our website: https://www.daramalan.act.eduau/fee-schedule/

The uniform will be available to purchase online and in-store from Thursday 3 December. Details regarding online ordering and how to book a uniform fitting will be provided soon.

Social Justice

Vinnies Christmas Giving Tree Appeal

Our final Social Justice initiative for the year is supporting the Vinnies Christmas Giving Tree Appeal, which will replace the Christmas hampers we have assembled in previous years. The generosity and community spirit shown through this appeal has already been wonderful to see, with donations steadily appearing beneath our beautiful Giving Tree and Information Centre display.

We are continuing to seek donations of non-perishable food items that will help families who are struggling to put food on the table this Christmas. Every contribution, big or small, is greatly appreciated and will help to make a meaningful difference this Christmas season.

Students can continue to bring donations to PT from now until **Wednesday 2 December** to ensure enough time for preparation and collection.

Thank you for your kindness.

Environment Group

Year 12 Tree

Our 2026 Year 12 students ensured their time at the College will live on by planting a Bay Leaf tree. The tree was planted by a group of Year 12 students at the conclusion of their final exams. The Bay Leaf tree is located between Dempsey Wing and the oval and will be used by our Food Technology and Hospitality classes.

Thank you to Environment Captain, **Chelsea Delteza Patriarca**, for her initiative in organising this gift on behalf of the cohort, as well as researching and purchasing the tree. Thank you to **Ms Fiona Glover** for organising the materials and preparing the site.

Red Cross Support

Over this year, a quiet group of students and staff have been 'crafting' away for the benefit of the Red Cross. I'd like to thank the following for their interest, contributions (both supplies and creations), determination, and opportunity to learn: **Lily Clark** (Year 11), **Alec Williams** (Year 10), **Josie Willsmore, Alex Linardakis** (Year 8), **Ms Kris Davis** and **Ms Fleur Cains**, plus the many family members who joined us.

The following is a snippet of what has been created, or in the process of creation, ready to transport to our base at the Red Cross.

First and foremost, we knit Trauma Teddies for the Red Cross to distribute to our first responders and hospitals to give to little, and sometimes big, kiddies to cuddle and share their journey. Our teddies ride with Police, Firies, Ambos, Rural Firies, in cars, trucks, helicopters and planes, ready to provide a cuddle for a heart that needs some tender care. Some of these teddies also await their new home in emergency departments of hospitals and clinics. Yet other teddies have also been known to travel interstate and overseas with our Military to greet those who have suffered from major events such as cyclones and floods, and sometimes civil war.

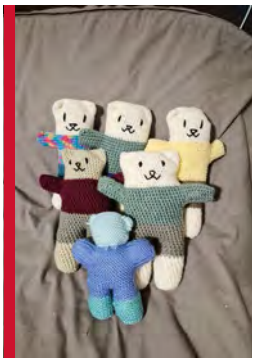

All craft is greatly appreciated and accepted, and then given to the Red Cross to make sure they are suitable to perform their Trauma Teddy duties. Some of our teddies and all other craft creations will be directed to one of our Red Cross market stalls in shopping centres and hospitals to raise funds for the Red Cross. So, giving blood is not the only way to support the Red Cross, giving a little love in the form of a cuddly toy or crafty creation is very much appreciated.

Ms Vivienne Thurgar

Counsellors Hub

Preparing for the End of the School Year

How to access mental health supports and counselling services in the break:

As we near the end of the school year, the Counselling Team would like to provide students and their families with important information about accessing external mental health support beyond school counselling services.

Due to the nature of our counselling service, counsellors are not available during school holiday periods. Therefore, no counsellors will be available between **Wednesday 9 December** and **Monday 1 February**. Referrals will also not be available during this time.

We encourage students and families to access the mental health and wellbeing resources available on the Daranet Counsellors page, including a comprehensive list of external mental health and crisis support services.

Each year, all current counselling students are discharged as clients at the end of the school year. This will occur as we near the end of Term 4. If a student wishes to recommence counselling in 2027, a new referral form can be submitted at the beginning of the school year. This process also allows the Counselling Team to receive updated information to best support the student's wellbeing.

We strongly encourage students and parents/carers to access external mental health supports over the Summer break, or earlier if needed, particularly if crisis support or ongoing mental health assistance is required.

External Support and Resources

How to Talk to Your Children About Mental Health

- Parents and carers can access information and guidance through Headspace:
- https://headspace.org.au/online-and-phone-support/partners-in-parenting/
- How to help your young person with mental health | headspace

Mental Health and Crisis Support Services

- Lifeline: 13 11 14 (24 hours)
- Kids Helpline: 1800 55 1800 (24 hours, ages 5-25)
- Beyond Blue: 1300 22 4636
- Headspace: https://headspace.org.au
- Emergency Services: 000 for immediate safety concerns

For a full list of external mental health and crisis services, please refer to the Daranet Counsellors page.

We wish all students and families a safe, enjoyable and restful Summer holiday and look forward to supporting students again in 2027.

Economics

Treasury in Schools Day

On Friday 30 October, the Year 12 Economics class went on an excursion to the Treasury Building for the Treasury in Schools Day. Economics students from different schools gathered to engage in a Q&A with **Deputy Secretary Damien White**, as well as a panel discussion with representatives from the Reserve Bank of Australia, ACT Treasury, Commonwealth Treasury and the Parliamentary Budget Office. The students were also taken through different activities that demonstrated the role of Treasury in providing advice and responding to challenging scenarios.

Our Daramalan students rose to the occasion, asking a range of questions to this esteemed panel across the day, as well as displaying deep engagement with the different activities. The focus of the day was the different paths that a career in Economics can take and brought together different strands across the students' two years of study in this discipline. The College would like to thank the organisers including **Reese O'Sullivan**, as well as the Treasury staff and panellists for an enlightening excursion.

Textiles

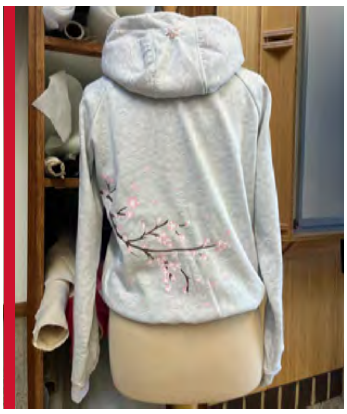

This semester our junior Textiles students have been busy bringing their ideas to life through a range of exciting projects.

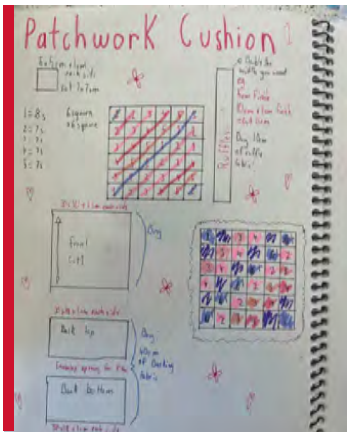

Our Year 9 students took on the challenge of sewing their own hoodies, learning how to work with stretch fabrics, using specialised sewing machine settings, and constructing wearable garments from start to finish. It was exciting to see all their creative ideas come to life and the many embellishment techniques that they used to create their hoodies, such as using the Cricut machine, hand embroidery, as well as machine embroidery and applique.

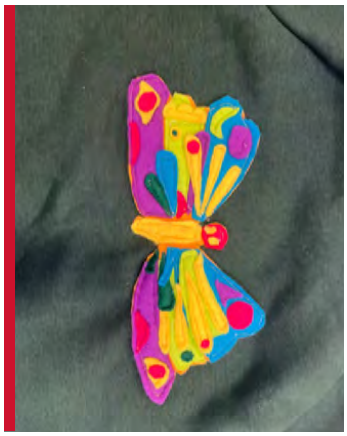

Year 10 students designed and created cushion covers, experimenting with techniques such as patchwork, appliqué, embroidery and ruffles. Their finished products showcased the student's creativity and skills they have been working on throughout the year.

The last few weeks have been extra fun as they have finished their major projects and started to work on Christmas crafts and other projects using the skills they have learnt throughout the semester.

Languages

Senior Japanese Excursion to Kagawa Japanese Restaurant
For our final lesson of the year, we visited Kagawa Japanese Restaurant to celebrate the end of the academic year and farewell our Year 12 senpai. While having a delicious Japanese bento lunch, we enjoyed chatting and reflecting on six years of language learning, including the memorable 2025 Japanese Study Tour, which all of our current Year 12 students attended.

It has been a pleasure teaching **Roy Halliday, Harry Hynd, Kiran Isbister, Mark Ivancic, Lucas Korab, Sean Loney, Chelsea Delteza Patriarca, Tristan Tierney** and **Adam Wilson** over the past six years. We are proud of all they have achieved and grateful for the contributions they have made to our Japanese community.

ありがとう and best wishes for the future!

The Year 12 French students enjoyed a wonderful end to the term, immersing themselves in French and Celtic culture through an engaging and memorable activity this term.

A Taste of Brittany: French and Celtic Culture
On Tuesday 10 November, students took part in a cultural incursion exploring the fascinating region of Brittany (Bretagne), in north-western France. They discovered its rich history, from the impressive medieval ramparts of Saint-Malo to the remarkable prehistoric standing stones and dolmens of Carnac.

Students also explored Brittany's picturesque villages, famous for their traditional half-timbered houses (maisons à colombages), and discovered the region's connection to the legendary wizard Merlin and the mysterious Brocéliande Forest.

The session also introduced students to the Breton language, as well as the region's delicious culinary specialities. From traditional crêpes and savoury galettes to salted butter caramels and fresh seafood, Brittany certainly has plenty to offer!

Music and dance were another highlight of the experience. Students learnt about Brittany's Celtic musical heritage and discovered traditional instruments such as bagpipes, the bodhrán, the bombard and the accordion. They were then encouraged to get involved in the festivities, learning a few steps of the traditional Fest Noz folk dances. The fun continued with a lively ceilidh, a traditional Scottish and Celtic social dance involving plenty of whirling around in pairs, followed by a Scottish waltz.

Students thoroughly enjoyed this fun and interactive cultural experience, which offered a wonderful insight into the traditions and heritage of this unique French region.

Herzlichen Glückwunsch - Celebrating Excellence in German

We are delighted to celebrate the outstanding achievements of our students in German. Through their hard work, enthusiasm and commitment to learning, these students have earned special recognition in the form of book prizes generously provided by the German Embassy.

These awards acknowledge not only academic excellence but also a genuine interest in the German language and culture. Learning another language broadens horizons, builds intercultural understanding, and opens doors to opportunities around the world. Our recipients have demonstrated what can be achieved through dedication, curiosity and perseverance.

We would also like to recognise all students who have shown a strong commitment to developing their German language skills this year. Their willingness to embrace new challenges, practise consistently and engage with the language both inside and outside the classroom is highly commendable.

Herzlichen Glückwunsch an unsere Preisträgerinnen und Preisträger, and congratulations to all our German learners on their achievements and progress.

Year 7: **Jada Hansen** and **Max Pedregosa**

Languages Cont...

Year 8: **Rory McCall** and **Chloe Muller**

Year 9: **Aidan Murphy**

Year 10: **Devin Holpfer**

Year 11: **Erica Murphy**

Year 12: **Tahli Milin**

German Lunch at the Harmonie Club in Narrabundah
All of our Years 8-12 German classes enjoyed a wonderful end-of-year lunch at the German Club in Narrabundah. This excursion is always a highlight, giving students the opportunity to experience German culture through its cuisine and spend time together outside the classroom. It was the perfect way to celebrate a semester of learning, with many students enjoying traditional favourites such as Schnitzel, Wurst or Spätzle.

Alles Gute, Adieu, and がんばってね to our Year 12 Languages Students!
We congratulate our Year 12 Languages students on completing six years of language study. Throughout their journey, they embraced new cultures and tackled the many challenges of language learning, from verb endings and adjective agreements to grammatical genders and very quirky expressions. Their perseverance, curiosity and global outlook have enriched our languages classes.

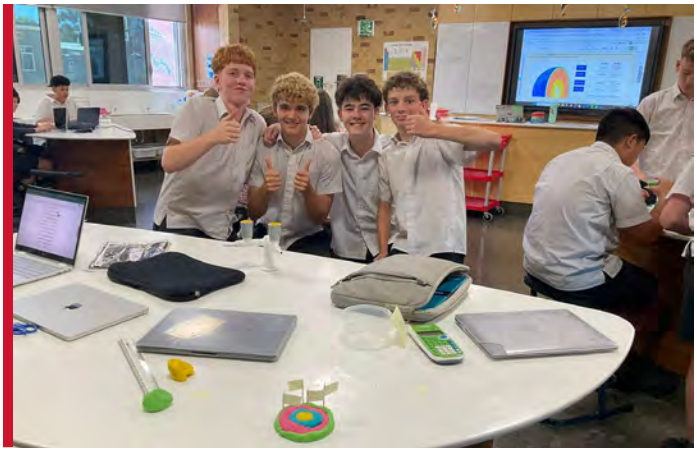

We are confident they leave us as capable, open-minded young people with a greater understanding of the world and the people in it. As they begin the next chapter of their lives, we wish them every success and happiness ahead. Au revoir, Auf Wiedersehen, and 元気で。

Science

Year 8
Scientists use models as simplified representations of real-world objects, systems and processes to study things that are otherwise difficult or impossible to observe directly. Our Year 8 students had fun making models of the layers of the earth to highlight the relative scale of each layer.

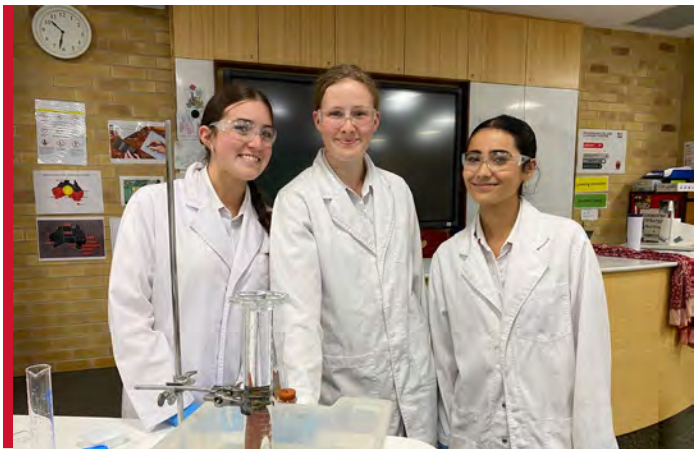

Year 10
Year 10 Science students have been exploring space, stars and the universe, investigating how astronomers measure the vast distances between objects in space. As part of their learning, students headed outdoors to model the parallax method. They applied mathematical concepts to understand how scientists calculate the distance to nearby stars.

Chemistry
The Year 11 students have completed investigations on the rate of chemical reactions while the Year 12 students created videos evaluating green chemistry processes and products.

Biology
Biology students really enjoyed exploring the sheep pluck. We have been learning about different types of tissues and making connections between how structure relates to function. Students could see and feel the difference between tissue in the trachea, lung, heart and liver tissue. We used a hand pump to show how the lung tissue can expand and contract.

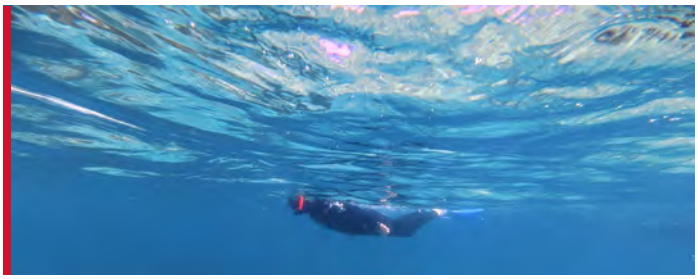

Science Cont...

Earth and Environmental Science Jervis Bay camping trip

Year 11 and 12 Earth and Environmental Science students recently enjoyed an unforgettable trip to Jervis Bay. Highlights included whale watching, where we saw a mother whale and her calf frolicking in the bay, snorkeling among fish, wobbegong sharks, sea urchins and sea stars, and kayaking alongside a stingray. Camping was great fun and made for a fantastic few days of learning and adventure.

Performing Arts

Year 7 and 8 First Nations Cultural Dance Workshop

In Term 4, the Year 7 and 8 Dance classes had the privilege of participating in a First Nations cultural dance workshop as part of their Cultural Dance unit. The workshop was led by **Ms Mikayla Helms** from AusDance ACT.

Students explored how dance is an important part of Indigenous culture, learning where the dances come from and what they represent, from kangaroos to wedge-tailed eagles. They were also able to put ochre on their faces as part of the experience. Students learnt about totems, what ochre represents, and Mikayla's family history.

Students described it as a really enjoyable workshop and said they learnt a lot about the history of Indigenous culture.

Performing Arts Cont

COME ALIVE Theatre Presentations at the ACTHUB

Year 10 Drama students presented their COME ALIVE performances for the Festival of Museum Theatre at the ACT HUB in Kingston on Friday 13 November.

The project involved researching and forming a theatrical production based on a finding from the National Library. It involved researching the Library collection, mostly from Trove, for relevant information on a significant moment in Australian history. They then abstracted from that information and created a theatre presentation.

The students made the most of the day and made friends with students from other schools; notably from Nowra High School and Campbell High School. Playing to a full house of over 100 people gave them the opportunity to advance their Drama study on Brechtian Epic Theatre into actual performance.

The subject matter included:

- The Ghost of Fred Fisher; an incident from 1826 in Campbelltown still reflected in a festival each year
- The Marriage Equality Act and its effect on young people
- 1927: an incident about two children taken from their family unlawfully.

The cast worked outside their comfort zone to create these works and the performances provided them with a significant opportunity for creative and critical thinking.

Music

Sydney Conservatorium Brass Ensemble and Kingsland Brass Inspires Daramalan Musicians

On Saturday 7 November, Daramalan College was delighted to welcome the Sydney Conservatorium Brass Ensemble and The Kingsland Brass Ensemble for a day of workshops and performances with our brass students.

The visiting musicians worked closely with students throughout the day, sharing their expertise through rehearsals, masterclasses and sectionals. Students gained valuable insights into ensemble performance, sound production, musicianship and the discipline required for high-level music making.

The visit culminated in a fantastic concert, showcasing the exceptional artistry of the ensembles and providing students with the opportunity to hear some of Australia's finest young brass musicians up close. The performance was both inspiring and educational, highlighting the versatility and power of brass chamber music.

Daramalan's music students thoroughly enjoyed the experience, and the College is grateful to the Sydney Conservatorium Brass Ensemble and the Kingsland Brass Ensemble for their generosity, professionalism and encouragement. Opportunities such as these play an important role in enriching our music program and inspiring the next generation of performers.

Sport

Chevalier Challenge

Daramalan students journeyed up the highway to Bowral to play Chevalier College in the annual Chandler Cup. Being the two MSC schools closest in proximity, this adds to the pre-season Rugby fixture played at Daramalan College. The Chandler Cup has traditionally been contested over two Water Polo games with the addition of a girls and boys Basketball game last year. This year a boys Cricket T20 and two girls Netball games were added to create a seven game contest. Results were a mixed bag with Daramalan dominating the Netball, Chevalier the Basketball, and Water Polo being split down the middle. A spirited chase in the Cricket came up short with Chevalier claiming the Chandler Cup for 2026. We look forward to welcoming our sister school to Daramalan College next year and using the newly placed cricket pitch to compete in all seven fixtures with the possibility of further sports being added to the contest.

Thank you to the following staff for driving busses, coaching and officiating to make the day possible: **Ms Sepi Hawke, Ms Bernadette Ross, Ms Tanya Wilson, Mr Joel Richardson, Mr Stuart Dix** and **Mr Callum Brown**.

Results

Junior mixed Waterpolo	Loss	5 - 15
Senior mixed Waterpolo	Win	16 - 7
Junior Netball	Win	17 - 15
Intermediate Netball	Win	26 - 20
Girls Basketball	Loss	5 - 60
Boys Basketball	Loss	38 - 73
Cricket T20	Loss	132 - 152

Congratulations

Following the ACT Athletics Carnival, **Sam Blood** (Year 11) was selected for the ACT Squad to participate in the 2026 Australian Athletics All Schools Championships from Friday 4 December to Sunday 6 December in Perth. He has been selected to compete in the 100m, 200m and 4x100m relay.

Congratulations to the students who represented the ACT and medalled at School Sport Australia Touch Football Nationals

Basketball

ACT Schools Basketball Final

The ACT Schools Finals Basketball Tournament was held at Belconnen Basketball Stadium on Monday 23 November. Our Year 9/10 Boys' team qualified for the tournament after winning the ASC competition earlier in the year. The boys competed against the grand finalists from both the Northside and Southside competitions in a series of closely contested and challenging matches.

The boys played well throughout the day, and the team progressed to the Semi Finals, where they narrowly went down to the eventual tournament winners, Telopea Park School. Congratulations to all members of the Year 9/10 Boys' team on an outstanding achievement and for representing the school so well.

Rowing

Our Daramalan Rowers have kicked off their regatta season with two strong results.

Our first regatta was held on Saturday 7 November, with rowers battling some very windy conditions. Standout performances included **Ben Axford** (Year 11) and **James Allison** (Year 10), who both took out first place in their single scull races, and our Year 8 quad of **Nate Keeley, Teoman Dagseven, James Stein** and **Joe Harriden**, coxed by Year 12 student-coach **Scarlett Mansfield**, who also finished first.

The week before that, five of our senior rowers - **Sam Keeley, Pat Curran, Ben Axford, Grace York** and **Olivia Spurrett** - competed in the Golden Oar Regatta hosted by the Red Shed, racing against elite athletes, international competitors and Olympians across three events over the weekend: a 1500m race on Saturday morning, a 3km time trial on Sunday morning, and a 450m sprint to finish, where our crew placed 4th.

Most recently, our rowers competed in their second local regatta on Saturday 21 November. A highlight of the day was our Year 7s racing for the very first time, with some excellent results: the Year 7 girls took out first, third and fourth in their quad races, and the boys won theirs by an impressive margin. Thank you to our older rowers who jumped in boats to support our newest and youngest rowers through their first ever race.

Looking ahead, our senior rowers are off to Melbourne for the iconic Head of the Yarra – an 8km eights race where nearly 300 boats race in a time trial format for the fastest time. Good luck to **Zoe Glover, Sam Keeley, James Allison, Emmy Cook, Olivia Spurrett** (Year 10), **Ben Axford, Grace York, Pat Curran, James Curran** (Year 11) and - enjoy the experience!

Upcoming Webinars

UCAT and Pathways into Medicine and Dentistry
Wednesday 2 December
6.00pm – 8.00pm AEST
Live online with Zobair Bary
An introduction to medical and dental pathways, university selection requirements and admissions tests.

AIE Online Campus Day
Organisation: Academy of Interactive Entertainment
Location: Online
Date: **Saturday 5 December**

Discover the courses designed to get you started in game development, 3D animation, film and visual effects at the AIE Online Campus Day. AIE will be running this event for students interested in studying online. You will be able to meet the teachers, explore how classes will run, course options, career pathways and see the amazing student work.

We will be covering everything you need to know about the:
- careers in games and VFX that we train students for;
- studios and industries that we work with;
- courses we offer – from beginners to professional mastery, and
- the software, skills and knowledge we teach.

IGLU Online information session
Monday 7 December
Heading to university in 2027? Join our free Online Information Session for practical advice on making the move from home to the city, and the chance to ask the Iglu team anything.
Students and parents are all welcome.

I've Got My Results, What Now? **Webinar for Year 12 Students and Parents**
Organisation: myfuture
Location: Online
Date: **Tuesday 15 December**
As Year 12 results are released, many students and their carers are asking the same question: What's next? Join Tracy Ryan, Career Education Manager at myfuture, for a practical and reassuring webinar designed to help families navigate the next steps with confidence.
You'll gain insights into the range of opportunities available after Year 12, learn how to make informed decisions, and discover resources that can support a successful transition from school to further study, training or work.

Upcoming Events with Unserious Careers

For Year 12 students and parents – keen to get ready for what's next?

Unserious Careers is launching two events:
1. Seriously Ready: A free in-person event for 2026 Year 12 students to kickstart their careers
2. Go Time: A free online webinar for Year 12 parents about what to do after exams

Seriously Ready (for 2026 Year 12 students) - Part workshop and part inspirational talk, the event offers practical tips so your Year 12 student can leave feeling less stressed and more excited about their future.

Date: **Wednesday 20 January**
Time: 9am to 12pm
Location: University of Canberra
Who is it for: 2026 Year 12 students. The content is suitable whether you're planning to go to university or TAFE, enter the workforce, start a trade, take a gap year or follow another awesome path.

Register for your free ticket: events.humanitix.com/seriously-ready-canberra
Learn more: unseriouscareers.com/seriouslyready

Go Time (for Year 12 parents and carers) - In this free 45-minute Zoom webinar, Alana will cover:
- What to pay attention to in the first 3-6 months after school
- How to handle concerns about AI
- What to do if your child still isn't sure what they want to do

This webinar is running on **Wednesday 18 November** and **Monday 23 November.**

To register for the Year 12 parent webinar: events.humanitix.com/go-time

AgCAREERSTART
Applications for the 2027 AgCAREERSTART program are now open!

If you've been thinking about starting a career in agriculture or know someone who would love the opportunity to gain hands-on experience in the industry, now is the time to get involved.

Key dates for 2027:
- Applications close: **Sunday 6 December**
- Shortlisted announced: **Monday 7 December**
- Placements commence: **Monday 1 February**

Head to our website to find out more and submit your application before applications close on **Sunday 6 December.**

Are you ready to put wings on your dreams?
Ever dreamed of becoming a pilot? The Royal Aero Club of NSW is inviting aspiring young aviators to its 2027 Flying Training Camp at Camden Airport, **Saturday 9 January - Sunday 17 January!**

Experience the thrill of learning to fly with experienced instructors, develop new skills, explore aviation career pathways and make lasting friendships with like-minded students. No previous flying experience is necessary!

Find out more and apply at https://camp.royalaero.com.au/

NIE Future Doctors Australia 4-Day Program (Years 9–12)
The Future Doctors Australia program gives students aged 14–18 the opportunity to explore the world of medicine, learn directly from medical specialists, medical students and industry experts, and discover where their interests could take them.

Across four exciting days, students try their hand at practical medical activities and hear firsthand about the challenges and rewards of a medical career. They also build their communication skills through interactive training, and explore the medical admissions processes, including UCAT and medical interviews.

UCAT Resources for Medicine and Dental Applications
Steps to Become a Doctor – for help with the admissions process
Free UCAT preparation resources (including a detailed medical entry handbook and mock exam with feedback) to get started.

JOBS BOARD

Swing City Narrabundah
Swing City is here!! With a mix of events, outdoor activities, games and golf, the menu is relaxed and approachable for all ages. Open 7 days a week.

Casual Cooks & Kitchen Staff
Bartenders & all-rounders
Junior/Casual Food & Beverage attendants

Manteena - Apprentice Carpenter (Residential)
Manteena Residential is looking for a First Year Apprentice Carpenter to join our Canberra team, commencing in January 2027.
More details here

ACT Government - Horticultural Apprentice
Kick-start your career in horticulture with our four-year apprenticeship program. Working four days per week within our Place Management teams and studying one day per week towards a Certificate III in Horticulture (Parks and Gardens) at the Canberra Institute of Technology (CIT), you will gain hands-on experience maintaining Canberra's public parks, gardens and open spaces.
